SUGGESTIONS FOR GOOD KNITTERS

To insure a perfect fit when knitting a sweater, it is necessary to take the following measurements:

Width of back between the armholes.

Length of back from neck to hem.

Length of sleeve, including cuff. A child's cuff is generally 2 inches deep, an adult, 3 inches.

Bust measure.

A general rule is to bind off for the neck one-third of the number of stitches set up, leaving one-third for each shoulder.

The directions for almost all women's sweaters will do equally well for men. All the patterns may be made smaller or larger by subtracting or adding to the number of stitches set up, according to measure.

To find out how many stitches you average to a horizontal inch, set up a few stitches with the wool and needles you are going to use and knit a small piece and then calculate your measures on that basis.

Always bind off and sew up loosely, especially around cuffs and neck. When binding off ribs, knit the stitches that are knit, and purl those that are purled. This makes a more elastic edge.

The neck of a child's sweater should stretch 18 to 20 inches; an adult's more in proportion.

In these directions a row means once across—a ridge across and back, or two rows.

After setting up stitches on a round needle, before beginning to knit be sure that none of the stitches are twisted.

When using four needles, to prevent a stretched place where they join, knit the third stitch on each needle very tight, the rest of the stitches your usual tension.

When joining on a new thread do not tie a knot, but splice by over-lapping the two threads for about 2 inches then knit 4 to 5 stitches with these two threads.

TO PRESS GARMENTS

Lay the garment out flat pulling it gently to the proper measurements. Place on top of it a damp cloth (not wringing wet), cover with a bath towel and put a weight on it, either a rug or heavy blanket. Leave it until quite dry.

PLAIN KNITTING OR GARTER STITCH

Knit every row back and forth.

HOLES FOR RIBBON OR ELASTIC

Throw the thread over the needle, then knit 2 stitches together, knit 3 stitches, repeat to the end of the row. On the return row use the thread thrown over as a stitch. If very large holes are desired, wind the thread 3 or 4 times around the needle and knit 4 stitches between each hole. Make an even number of holes.

CORD

Take four times the length of the cord required, tie the two ends together and put around a door-knob. Hold the wool by the other end and twist until the entire length is firm and even, then tie the end in the hand to the end on the knob, hold it by the middle and let it hang, and twist itself double. Smooth it out where necessary. To make a heavy cord use several strands in each length.

TASSELS

Wind the wool around a piece of cardboard the length of tassel required, as thick as you wish. Tie firmly through one end, slip from the card and wind the wool several times around the loops a little way from the top. Slip the thread up through the top of the tassel to fasten it with. Cut the ends off evenly.

BALLS FOR ENDS OF CORD OR SASHES

Cut 2 discs out of thin cardboard, about 1½ inches in diameter, cut a hole in the middle of each, about ½ inch in diameter, place the 2 discs on top of each other, and wind with the wool, up through the hole and around, until the hole is filled. Wind very firmly and evenly to get a firm ball. Cut the wool around the outer edge of the circle, hold the two pieces of cardboard apart, and tie a thread tightly around the middle, then cut the cardboard and pull it out. smooth and trim the ball off.

The size of the ball will be the same size as the disc.

PATCH POCKETS

Set up enough stitches to measure 4 inches wide. Rib 1 inch deep by knitting 1, purling 1, then knit stockinette until the pocket is 4½ inches deep. Bind off and sew in place.

SET-IN-POCKET

When your work is within 4½ inches of the bottom of the sweater, start the pocket. It should be placed about 3 inches to one side of the front. Slip on an extra needle enough stitches to measure 4 inches across, and leave. On the next row cast on the same number to take their place and continue your work. To finish take the stitches you left on the extra needle and knit the pocket 4½ inches deep. Sew in place on the wrong side of sweater. Pick up the stitches across the front of the pocket and rib a band 1 inch deep by knitting 1, purling 1. Sew each end of the band to the sweater to hold it in place.

NEEDLES

General directions for proper size needles to use with different weight yarns.

Tight knitters should use the larger size given and loose knitters the smaller.

	Size

May Queen silk and wool	4-5-6
5-plys—4-ply Real Camels	6-7
Double Knitting—Alloa	6-7-8

The Columbia Gauge is used.

GENERAL DIRECTIONS FOR AFGHANS AND BLANKETS

To measure about ¾ yard wide and 1 yard long.

When using:

2-ply Fingering yarn, No. 6 needles, 8-10 skeins are required.

3-ply Fingering yarn, No. 6 needles, 5-7 skeins are required.

5-ply Fingering yarn, No. 8 needles, 8-10 skeins are required.

Alloa, Double Knitting yarn, No. 8 needles. 5-6 skeins are required.

Jasmine yarn, No. 15 wooden needles, 8 balls are required.

BABY BLANKET OF SMALL SQUARES

8 skeins 2-ply Fingering yarn.

Pair No. 6 needles.

Set up 180 stitches and knit 8 ridges of plain knitting, then start to make the squares by knitting 8, purling 8, keeping on each end of the needle 10 stitches in plain knitting to form the border. Make the squares 8 ridges deep.

Now reverse, and purl 8, knit 8 to form the squares. When your work is about 1 yard long finish with 8 ridges of plain knitting and bind off loosely.

BABY BLANKET
Tubular

12 skeins 2-ply Fingering yarn, blue.
2 skeins 2-ply Fingering yarn, white.
No. 6 round needle.

In the blue, set up 312 stitches and knit around for 3½ inches. Now join on the white and knit the border about 6 inches deep in alternate stripes of the blue and white. The stripes can be of different widths.

Knit the middle 18 inches in blue and finish the second end the same as the first.

Close both ends with a little crocheted scallop.

If you prefer a more elaborate border of stripes and little squares a pattern will be supplied free with purchase of wool.

COACH BLANKET

6 balls Jasmine wool, white.
2 balls Jasmine wool, pink.
Pair No. 15 wooden needles.
Plain knitting throughout.

Set up 65 stitches in the white and knit 7 ridges (a ridge is over and back), then start the border as follows:

2 ridges of pink, and 2 ridges of white, repeat twice.

The middle of the blanket is 41 ridges of white. Make the same border at the other end finishing with 7 ridges of white.

RAINBOW BLANKET

4 skeins 3-ply Fingering yarn, white.

1 skein each of pink, blue, yellow, apple green and lavender.

Pair No. 8 needles.

The afghan is knit throughout in a rib formed by knitting 1, purling 1, but when you knit, put the needle into the back of the stitch instead of in the front, and purl as usual.

Set up 140 stitches in the white and knit for 4 inches, then knit a ridge each, of pink, blue, yellow, green and lavender with a ridge of white between each color; repeat this twice, but the last time do not put in the lavender.

Knit 12 inches in the white for the center and repeat the border, but reverse the colors and end with 4 inches in the white.

The afghan will be about 1 yard long.

BABY BLANKET
Knit Double

6 skeins 2-ply Fingering yarn, white.
6 skeins 2-ply Fingering yarn, pink.
Pair No. 8 needles.

Using both colors together, set up 125 stitches, 250 in all. As you start, the stitches may not be in proper sequence, but they are easily straightened out as you knit across the first row. You should have a pink stitch first and then a white one.

Start with the pink and knit as follows: (a row is once across)

Ist row—With the pink thread knit the first stitch, * slip the white stitch and knit the pink, repeat from * across the row ending by knitting the last stitch.

2nd row—With the pink again knit the first stitch, * throw the thread as if to purl, and slip the white stitch, throw the thread as if to knit, and knit the pink stitch, repeat from * to end of row, knit the last stitch.

3rd row—Pick up the white and knit the first stitch, knit the white stitch, * throw the thread as if to purl, slip the pink stitch, throw the thread as if to knit and knit the white stitch, repeat from * to end of row. Knit the last stitch.

4th row—Knit the first stitch, * knit the white stitch, slip the pink stitch, repeat from * to end of row, knit the last stitch.

Repeat these 4 rows, remembering always to knit the first and the last stitches, this is to hold the sides together at the edge. When your blanket measures 1 yard long, bind off by knitting a white and a pink stitch together.

Bind with pink satin ribbon.

AFGHAN
Diagonal Pattern

6 skeins 3-ply Fingering yarn, or
9 skeins May Queen yarn.
Pair No. 6 needles.

The afghan is plain knitting throughout.

Set up 3 stitches. In every row knit the first stitch and widen on the second.

To widen put the needle through the front of the stitch, pull the thread through, but do not slip the stitch off. Then put the needle through the back of the stitch, pull the thread through and slip off the stitch with the 2

threads, thus making 2 stitches in one. Continue widening in this way until your work is ¾ of a yard in length along the side, then narrow as follows:

On every row knit the first stitch, then narrow by knitting the next 2 stitches together. Continue narrowing in this way until you have 3 stitches left. Bind these off.

Your afghan will be ¾ yard square.

If stripes of contrasting color are desired start them when your work measures 7 inches along the side. The stripes can be of different widths.

AFGHAN

Open Work Stitch

5 skeins 5-ply Fingering yarn, pink.
5 skeins 5-ply Fingering yarn, white.
Pair No. 8 needles.

With the white wool set up an uneven number of stitches—125 will measure ¾ of a yard wide.

1st row—Plain knitting with white.

2nd row—Purl with white.

3rd row—Leave the white yarn, and take the pink, and with it knit 1 stitch, then * knit 2 stitches together, repeat from * to end of row.

4th row—With the pink * knit 1 stitch, then knit the pink thread between the stitches, repeat from * to end of row.

Repeat these four rows throughout the afghan. It should measure 1 yard in length.

Border—With the pink yarn pick up the stitches across each side in turn, and knit alternate ridges of pink and white, widening on the end of the needle every row on the last stitch to form the mitre for the corners. The border is 2 inches deep. Sew up the corners.

AFGHAN

Pattern of Squares

10 skeins 5-ply Fingering yarn, or
10 skeins 4-ply Real Camel's yarn.
Pair No. 7 needles.

Set up 135 stitches, knit 5 ridges plain knitting, then start to make the squares by knitting 25 stitches, purling 25, keeping, however, on each end of needle 5 stitches plain knitting to form the border. Make the squares 5 inches deep, then reverse and knit where you purled, and purl where you knitted for 5 inches more. Make 6 sets of squares and finish off with 5 ridges plain knitting.

AFGHAN
Diamond Pattern

6 skeins Double Knitting yarn, or
10 skeins 4-ply Real Camel's yarn.
Pair No. 7 needles.

Set up 131 stitches and knit plain 10 ridges. Now start the patterns of diamonds. (A row is once across.)

1st row—Knit 23, * purl 1, knit 27, repeat from *; ending with purl 1, knit 23.

2nd row—Knit 10, purl 12, * knit 3, purl 25 and repeat from *; ending with knit 3, purl 12, knit 10.

3rd row—Knit 21, * purl 5, knit 23, repeat from *; ending with purl 5, knit 21.

4th row—Knit 10, purl 10, * knit 7, purl 21, repeat from *; ending with knit 7, purl 10, knit 10.

5th row—Knit 19, * purl 9, knit 19, repeat from * to end of row.

6th row—Knit 10, purl 8, * knit 11, purl 17, repeat from *; ending with knit 11, purl 8, knit 10.

7th row—Knit 17, * purl 13, knit 15, repeat from *; ending with purl 13, knit 17.

8th row—Knit 10, purl 6, * knit 15, purl 13, repeat from *; ending with knit 15, purl 6, knit 10.

9th row—Knit 15, * purl 17, knit 11, repeat from *; ending with purl 17, knit 15.

10th row—Knit 10, purl 4, * knit 19, purl 9, repeat from *; ending with knit 19, purl 4, knit 10.

11th row—Knit 13, * purl 21, knit 7, repeat from *; ending with purl 21, knit 13.

12th row—Knit 10, purl 2, * knit 23, purl 5, repeat from *; ending with knit 23, purl 2, knit 10.

13th row—Knit 11, purl 25, * knit 3, purl 25, repeat from *; ending with knit 11.

14th row—Knit 37, * purl 1, knit 27, repeat from *; but end with knit 37.

Now reverse the rows, starting with the 13th; continue until you come to the 1st row which completes one diamond. The afghan has the diamond repeated 8 times.

Now knit 10 ridges of plain knitting for your border and bind off loosely.

LACE AFGHAN

6 skeins 3-ply Fingering yarn.
Pair No. 7 needles.

Set up 163 stitches and knit 5 ridges in plain knitting, then start the pattern as follows.

1st row—Knit 10 stitches, throw the thread over the needle, * knit 6, knit 3 together, knit 6, throw the thread, knit 1, throw the thread, repeat from * across the row but end by knit 6, knit 3 together, knit 6, throw the thread, and knit 10 stitches.

2nd row—Knit plain all the way across the row.

Repeat these 2 rows throughout the afghan. When your work measures 1 yard long, finish with 5 ridges of plain knitting. Bind off.

COUCH AFGHAN

3-ply Fingering yarn

2 yards square

2 skeins of maroon.
2 skeins of dark rose.
6 skeins of medium rose.
8 skeins of light rose.
10 skeins of tan.

Pair No. 5 needles.

Crochet hook No. 3.

The afghan is plain knitting throughout.

Set up 3 stitches, in every row knit the first stitch and widen on the second.

The colors are arranged as follows:
Maroon—7 ridges.
Dark rose—4 ridges.
Medium rose—7 ridges.
Light rose—9 ridges.
Tan—12 ridges.

This forms half a square.

Now start to narrow: on every row knit the first stitch, then narrow by knitting the next two stitches together, meanwhile reverse the colors. Narrow until there are 3 stitches left in the maroon. Bind off. This completes a square.

When you have 4 squares, with the maroon points meeting, sew together to form a large square. It takes 3 large squares to make the width of the afghan and it is 3 large squares long.

Finish the afghan with a border of single crochet one round in each shade of rose all the way around, starting with the lightest and ending with the maroon.

AFGHAN FOR CHAISE-LONGUE

9 skeins Double Knitting yarn, green.
1 skein each yellow, champagne, blue, tan and pink.
Pair No. 9 needles.
198 Set up ~~210~~ stitches and knit 1 row.

The afghan is knit throughout in plain knitting in the following design.

1st row—Widen on the first stitch, knit 9, * knit 3 together, knit 10, widen twice (which means to widen on each of the next two stitches) knit 10, repeat from * to end of row, but end by knitting 3 together, knit 9 and widen on the last stitch.

2nd and every alternate row—knit plain.

The colors are arranged as follows:

3 inches green.
4 ridges yellow (a ridge is over and back).
2 ridges green.
2 ridges champagne.
3 ridges blue.
3 ridges tan.
2 ridges pink.
2 ridges green.
2 ridges yellow.

The center is made of the green with the same border on the other end, only reversing the colors.

If using 5-ply Fingering yarn 15 skeins of the main color and 1 each of the contrasting colors will be required. Set up 235 stitches with a pair of No. 7 needles.

BABY SWEATER

6 to 12 months

3 skeins 2-ply Fingering yarn.
Pair No. 3 needles.

Set up 60 stitches and rib by knitting 2, purling 2 for 1½ inches, then knit stockinette stitch for 6 more inches. Now on each end of the needle knit 5 stitches in plain knitting to outline the armhole, the rest of the row stockinette stitch until the entire back measures 9½ inches. Now knit plain all the way across for 5 ridges. Bind off 20 stitches in the middle of the row for the neck. Knit each shoulder 9 ridges more, then join the two shoulders by casting on 20 stitches and knit 5 ridges of plain knitting all the way across. Finish the front to match the back in length with the same border.

Sleeve—Pick up 48 stitches across the shoulder from 3¼ inches down the back, to 3¼ inches down the front,

and stockinette stitch for 6½ inches. Rib the cuff 1½ inches deep by knitting 2, purling 2. Bind off loosely. Run a cord through the neck with tassels on each end, see page 5 for cord and tassels.

BABY SWEATER
Buttoned at Neck

3 skeins 2-ply Fingering yarn.

Pair No. 3 needles.

On the No. 3 needles set up 60 stitches and rib by knitting 2, purling 2 for 1 inch, now knit the border of little squares made by knitting 4, purling 4 for 4 rows, then reverse and knit where you purled and purl where you knit for 4 more rows. When you have 4 sets of squares, change to stockinette stitch and knit 5 inches more which brings you to the yoke which is made exactly like the border, 4 sets of little squares.

Bind off 20 stitches in the middle of the row for the neck. Starting with the right shoulder knit it 3 squares deep, then cast on 12 stitches (3 squares) and on the neck end of the needle make a button hole 2 stitches from the edge by binding off 2 stitches and on the next row casting on 2 to take their place. The yoke is 4 squares deep, the second button hole is in the last square. Leave and return to the left side, make it exactly the same, except do not make any button holes, and also after making the squares, bind off 4 stitches to form the lap on which the buttons are sewed, then join the right and left front together and knit stockinette stitch until the entire front, including the shoulder pieces measures 6 inches, finish with the same border and rib as in the back. Sew the lap in place.

Sleeves—Pick up 48 stitches from about 3¼ inches down the front to about 3¼ inches down the back and knit in stockinette stitch for 4½ inches, then make 3 sets of little squares. Now in one row reduce the stitches to 40 and rib the cuff 1¼ inches deep by knitting 2, purling 2. Sew up the seams and sew on the buttons.

BABY SWEATER
Beginning at the Neck

3 skeins 2-ply Fingering yarn.

Set No. 3 double point needles.

Set No. 2 double point needles.

On the No. 2 needles set up 88 stitches very loosely and rib ½ inch deep by knitting 2, purling 2. Now slip 14 stitches on to one of the No. 3 needles and knit 15 ridges

of plain knitting. Leave them and opposite to them slip off 14 more (leaving 30 stitches on an extra needle for the back and opposite to them 30 stitches for the front).

Knit these 14 stitches for 15 ridges of plain knitting as you did the other. This completes the two shoulder pieces. Leave and take the 30 stitches left for the front, pick up 15 on each side along the shoulder pieces, and using the No. 3 needles knit in stockinette stitch for 2 inches. Leave. Now knit the back in the same way. Join the two and using four needles continue the sweater until it measures 8 inches, then finish with a rib 1¼ inches deep made by knitting 2, purling 2.

Sleeve—With the No. 3 double point needles take the 14 stitches left on the shoulder piece, pick up the rest around the armhole, there should be about 48 in all, and knit round for 5 inches, then change to No. 2 needles and rib the cuff 1½ inches deep by knitting 2, purling 2. Run a cord through the neck with tassels on each end.

BABY'S KNIT SACQUE

1 year old

3 skeins 2-ply Fingering yarn, white.
1 skein 2-ply Fingering yarn, pink.
Pair No. 3 needles.

Set up in white 60 stitches and knit plain 5 inches, then add on each end of the needle 30 stitches for the sleeves, knit 3 inches, then bind off 20 stitches in the middle of the row for the neck, leaving on each side 50 stitches. Leave one side on an extra needle and knit 3 ridges on the other side, then cast on 10 stitches for the front and knit 3 inches. Bind off 30 stitches for the sleeve and knit the front to match the back in length. Make the second front the same way.

Cuffs—Pick up across the sleeve with the white, holding the right side toward you, and rib one inch deep by knitting 2, purling 2, then change to the pink wool and knit plain 1¼ inches more, binding off with the right side toward you, as this makes a turn-back cuff.

Border—After sewing up the sides of the sacque pick up the stitches around the bottom with the pink and knit plain for 1½ inches, widening at each end of the needle every other row on the next to last stitch to form the mitre for the corners. Pick up the stitches with the pink down each front with the right side toward you, and knit plain for 1½ inches, widening on the lower end every other row, on the next to last stitch to form the corner.

Collar—Pick up with the pink the stitches around the neck and across the border in the front with the wrong side toward you, and knit 1 row plain, then make a row of holes. See page 5 for directions for making holes. Then knit 2 inches for the collar. Bind off with the right side of the sacque toward you.

Run wash ribbon through the holes around the neck.

BROOKS JACKET

2 year old

4 skeins 2-ply Fingering yarn.
Set No. 3 double point needles.
6 small pearl buttons.

Using two of the double point needles as a pair, start at the bottom of the jacket and set up 160 stitches to go from one front all the way around to the other front and rib ¾ of an inch deep by knitting 1, purling 1. Change to stockinette stitch with the exception of 6 stitches on each end of the needle, knit these in plain knitting to form the border for the fronts, and also make the first button hole on the right hand side of the jacket, see page 4. There are 6 button holes in all, each about 1½ inches apart. Continue until your work measures 7 inches which brings you to the armhole. Now divide the stitches as follows:

70 for the back, 6 on each side for underarm pieces, and 39 for each front.

Continue the right front, making the button holes every 1½ inches apart until you have knit 3½ inches more, then leave 16 stitches on an extra needle for the neck and knit the shoulder ¾ of an inch deep. Leave and make the left front the same way.

Return to the back and knit it 4 inches more. Kitchener stitch the shoulders together, leaving the stitches at the back of the neck on an extra needle.

Neck—Take the stitches left on the extra needle on the back and on each front, pick up those across the shoulders and rib the band ½ inch deep by knitting 1, purling 1. If the last button hole has not already been made make it now in the first row of the band.

Sleeve—With the double point needles take the stitches left for the underarm and pick up the rest around the armhole, there should be 58 and knit round until the sleeve measures 7½ inches, then in one round reduce the stitches to 44 and rib the cuff 1½ inches deep by knitting 1, purling 1.

CHILD'S RIBBED SWEATER

Fastened on Shoulder

2 year old

4 skeins 5-ply Fingering yarn, or 4-ply Real Camel's yarn.

Pair No. 6 needles.

Pair No. 3 needles.

With the No. 6 needles set up 58 stitches and rib by knitting 1, purling 1 for 1½ inches for a border, then knit the body of the sweater as follows.

1st row—Plain knitting.

2nd row—Knit 3, * purl 8, knit 3, repeat from * to end of row.

Repeat these 2 rows for 12½ inches, then in the middle of the row leave on a stitch pin 22 stitches, and on the No. 3 needles knit each shoulder 7 ridges of plain knitting, this completes the back. Make the front exactly the same, but in each shoulder make 2 button holes, about 1 inch apart. (For button holes see page 4.) Baste the front and the back together at the shoulders with the front on top, so that they may be picked up together for the sleeves.

Neck—With the No. 3 needles take the stitches left on the extra needle in the front, pick up 6 stitches on each side across the shoulders and rib ½ inch deep by knitting 1, purling 1. Bind off loosely. Rib the neck across the back in the same way.

Sleeve—Pick up 50 stitches from 4 inches down the back to 4 inches down the front and knit stockinette stitch. When the sleeve measures 8 inches, reduce the stitches to 44, change to the No. 3 needles and rib the cuff 2 inches deep by knitting 1, purling 1.

CHILD'S LEGGINGS

2 year old

3 skeins Double Knitting yarn, or
5 skeins 4-ply Real Camel's, or
5 skeins 5-ply Fingering yarn.
Pair No. 6 needles.
Set No. 3 double point needles for legs.
The legs are made separately and sewed together.

On the No. 6 needles set up 72 stitches and rib ½ inch deep by knitting 2, purling 2. In the next row change to stockinette stitch and make an even number of holes (see page 5) for the elastic to run through, then widen 1 stitch on each end of the needle every 6th row, until you have about 100 stitches, and your work measures entire length, 10 inches.

Now narrow 1 stitch on each end of the needle every row, both knit and purl until there are 70 stitches left, then in one row reduce your stitches to 60, move to the No. 3 needles, join as if for a stocking and rib the leg 9 inches by knitting 2, purling 2.

Foot—Divide the stitches into three parts, 20 stitches in each. With the front piece continue the rib 2 inches longer, then take up the stitches along the side of this piece, and the other 2 sets of 20 stitches and knit back and forth for 6 ridges (this can be done on a pair of needles). Bind off, sew up the back and put an elastic strap under the foot. Make the second leg to match.

1 year old

Follow preceding directions but set up 64 stitches and make the crotch as well as the legs 1 inch shorter, or use 3-ply Fingering yarn and No. 4 needles.

3 year old

3 skeins Alloa yarn.
Pair No. 7 needles.

Follow preceding directions but make the crotch as well as the leg 1 inch longer.

DIAMOND SWEATER

3 year old

3 skeins 3-ply Fingering yarn.
Pair No. 5 needles.
Set No. 2 double point needles.

With the No. 5 needles set up 72 stitches and rib by knitting 2, purling 2 for 1 inch. Then start the design.

1st row—* Purl 3, knit 9 and repeat from * to end of row.

2nd row—Knit 1, * purl 7, knit 5, and repeat from *; ending with purl 7, knit 4.

3rd row—Knit 2, * purl 3, knit 5, purl 3, knit 1, repeat from *; ending with purl 3, knit 5, purl 2.

4th row—* Knit 3, purl 3, repeat from * to end of row.

5th row—Knit 4, * purl 3, knit 1, purl 3, knit 5, repeat from * ending with purl 3, knit 1.

6th row—Purl 2, * knit 5, purl 7, repeat from *; ending with knit 5, purl 5.

7th row—Knit 6, * purl 3, knit 9, repeat from *; ending with purl 3, knit 3.

8th row—Same as 6th row.
9th row—Same as 5th row.
10th row—Same as 4th row.
11th row—Same as 3rd row.
12th row—Same as 2nd row.

Repeat from 1st row until your sweater measures 12 inches (about 8 diamonds deep), then make 4 ridges of plain knitting. Leave 32 stitches on an extra needle in the middle of the row for the neck, leaving 20 for each shoulder. Make 10 ridges plain knitting on each shoulder, then join the two by casting on 32 stitches, knit 4 ridges plain knitting, then return to the diamond pattern row No. 1 and knit the front to match the back.

Sleeve—Pick up 60 stitches from 4½ inches down the front, to 4½ inches down the back and make the diamonds. Now reduce 1 stitch on each end of the needle every 1¼ inches, until you have 48 stitches, and have one diamond less in the row.

Continue without narrowing until the sleeve measures 9 inches, then rib the cuff on No. 2 needles, 2 inches deep, by knitting 2, purling 2.

Neck—On the No. 2 needles, pick up the stitches around the neck, and rib by knitting 1, purling 1 for ¾ of an inch, then bind off loosely.

6 year old

Follow preceding directions, but set up 12 stitches more, and knit your sweater 16 inches before starting the yoke. The sleeve should have 72 stitches. Knit the sleeve for 12 inches before starting the cuff.

CHILD'S SWEATER

Fastened on Shoulder

3 year old

5 skeins 2-ply Fingering yarn.

Pair No. 3 needles.

Set up 80 stitches and rib 2 inches deep by knitting 2, purling 2. Change to stockinette stitch and knit until your work measures 13 inches deep. Now in one row bind off all the stitches on the needle with the exception of 6 on each end, and on the next row cast on the same number, and knit the front to match the back.

Sleeve—Pick up 66 stitches across the shoulder from 4½ inches down the front to 4½ inches down the back, and knit stockinette stitch until your sleeve measures 4 inches, then narrow gradually 1 stitch on each end of the needle until it measures 9 inches; if necessary reduce your stitches in one row to 44 and rib the cuff 2 inches deep by knitting 2, purling 2.

On each shoulder sew 2 buttons and crochet loops opposite to them.

1 year old

Follow preceding directions but set up 66 stitches only and knit the body as well as the sleeves 2 inches shorter. Sleeve should have about 50 stitches.

SMOCK SWEATER

3 year old

5 skeins 2-ply Fingering yarn.
Set No. 4 double point needles.
Set No. 2 double point needles.

Using 2 of the double point No. 4 needles as a pair, set up 84 stitches. Rib 1½ inches deep by knitting 2, purling 2, then stockinette stitch for 9 inches. This brings you to the yoke.

In the next row knit 23 stitches in single moss stitch, rib 38 stitches by knitting 2, purling 2, and finish the row with 23 stitches in single moss stitch. Repeat until the yoke is 3 inches deep, always keeping the 38 stitches in the middle of the row of the ribbing, with the single moss stitch on each side.

Now leave the 38 stitches in the middle on an extra needle and knit 8 ridges plain on each side for the shoulders. Join these two sides by casting on 38 stitches and knit a yoke in the front the same as in the back. Knit rest of the front to match.

Sleeve—The sleeve is made on four needles. Pick up 66 stitches across the shoulder and yoke and knit around for 9 inches, then change to No. 2 needles and rib the cuff 2 inches deep by knitting 2, purling 2.

Neck—With the No. 2 double point needles take the 38 stitches left on the extra needle, pick up 8 stitches across each shoulder and 38 stitches across the front and rib ¾ of an inch deep by knitting 2, purling 2.

Make a cord of the yarn and run through the neck with a ball or tassel on each end. See page 5.

2 year old

Follow the preceding directions, but set up 76 stitches and knit the yoke 21 stitches on each side in single moss stitch, and 34 stitches in the middle ribbed by knitting 2, purling 2.

Pick up only 56 stitches for the sleeves. Knit both the body and the sleeves 1 inch shorter.

Beginning at Neck

4 year old

4 skeins 3-ply Fingering yarn.
Set No. 5 double point needles.
Set No. 2 double point needles.

On the No. 2 needles set up 88 stitches very loosely, and rib ½ inch deep by knitting 2, purling 2. Now slip

14 stitches on to one of the No. 5 needles, knit 15 ridges of plain knitting. Leave these, and opposite to them slip off 14 more (leaving 30 stitches on an extra needle in between for the front, and 30 stitches opposite to them on an extra needle for the back). Knit these 14 stitches 15 ridges of plain knitting as you did the others. This completes the two shoulder pieces. Now take the 30 stitches left for the front and pick up 15 on each side along the shoulder pieces and knit in stockinette stitch 3 inches, then widen 1 stitch on each end of the needle every knit row until you have added 10 stitches. Leave these and knit the 30 stitches in the back in the same way.

Join the two and using four needles, continue until the entire length measures 14 inches, then finish with a rib 1½ inches deep, made by knitting 2, purling 2.

Sleeve—Take the 14 stitches left on the shoulder piece, pick up the rest around the armhole; there should be about 60 stitches. Knit for 3 inches, then about every ½ inch narrow 2 stitches on a line with the underarm seam. When your sleeve is 11 inches long if necessary reduce the number of stitches to 40, change to the No. 2 needles and rib the cuff 1½ inches deep, by knitting 2, purling 2. Bind off very loosely.

To make a larger size, knit each shoulder piece longer to fit the child, and make both body and sleeves longer in proportion.

This sweater is particularly adaptable for Clan Tartan or Fair Isle Borders.

Brooks Model

4 year old

4 skeins 3-ply Fingering yarn.
Pair No. 5 needles.
Set No. 2 double point needles.

With the No. 5 needles set up 78 stitches and rib by knitting 2, purling 2 for 1½ inches, then stockinette stitch for 14 inches. Now leave on a stitch pin 26 stitches in the middle of the row for the neck. Start on the right side and knit 1 inch, then widen as follows for:

V Neck—Widen once on the first stitch on the neck end every knit row until there are 30 stitches, leave and knit the second front the same way. Now join the two and knit until the front measures 4½ inches, then add 6 stitches on each end for underarms, continue until the front is the same length as the back, and finish with a rib 1½ inches deep.

Square Neck—If preferred, do not widen in the front for a V, but knit each shoulder 2 inches deep. Join the two by casting on 26 stitches, and finish the front to match the back in length, with the same rib at the bottom.

Round Neck—If preferred, start to widen for the V until 5 stitches have been added on each side, then join by casting on 20 stitches and finish the front as above.

Sleeve—Pick up 60 stitches across the shoulder, from about 4½ inches down the back to the same distance down the front, and stockinette stitch for 4 inches; then narrow 1 stitch on each end of the needle every 6th row, until your sleeve measures 11 inches. Now if necessary reduce the stitches to 48 and on the No. 2 needles rib the cuff 2 inches deep by knitting 2, purling 2.

With the No. 2 needles pick up the stitches around the neck and rib ½ inch deep by knitting 1, purling 1. Bind off loosely.

2 year old

Follow the preceding directions but set up 60 stitches. Pick up 50 for each sleeve and make the body as well as the sleeves 2 inches shorter. 3 skeins will be required.

6-7 year old

Set No. 2 double point needles.
No. 5 round needle.

Using two of the No. 5 double point needles as a pair, start at the back of the neck, set up 36 stitches and purl back 1 row, then knit as follows:

1st row—Knit 3 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 22 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, widen on the last stitch.

2nd and every alternate row—Purl across and widen on the last stitch.

3rd row—Knit 5 stitches, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 24, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 4 and widen on the last stitch.

5th row—Knit 7 stitches, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 26, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 6 and widen on the last stitch.

Continue widening for the front, also throwing the thread over the needle every other row so that the holes come directly in line with each other, thus increasing 2 stitches in each front, 2 in each sleeve and 2 in the back. When your work measures 2 inches straight down from the back of the neck join the two fronts by casting on 12 stitches, move to the round needle and continue widening for the raglan, and from now on knit 1 round plain between each round of widening. When you have 54 stitches for each sleeve, slip them on a thread and leave. Continue knitting round for 8 inches more, then finish with a rib made by knitting 2, purling 2 for 1½ inches.

Sleeve—With the No. 5 double point needles take the 54 stitches left on the threads and knit 3 inches, then narrow on a line with the underarm seam 2 stitches every 6th round until you have 44 stitches left. Continue if necessary without narrowing until your underarm seam measures 8 inches, then move to the No. 2 needles and rib the cuff 2 inches deep by knitting 2, purling 2.

Neck—With the No. 2 double point needles pick up the stitches around the neck and rib ½ inch deep by knitting 2, purling 2. Bind off loosely.

Set No. 5 double point needles.
Set No. 2 double point needles.

Using 2 of the No. 5 double point needles as a pair, start at the back of the neck and set up 38 stitches, purl back one row, then knit as follows:

1st row—Widen on the 1st stitch, knit 1 stitch, widen twice, knit 2 stitches, widen twice, knit 22 stitches, widen twice, knit 2 stitches, widen twice, knit 1 stitch, and widen on the last stitch.

2nd row—Purl all the way across the row.

3rd row—Widen on the 1st stitch, knit 3, widen twice, knit 4, widen twice, knit 24, widen twice, knit 4, widen twice, knit 3, and widen on the last stitch.

4th and every alternate row—Same as the second.

Continue widening every other row so that the widenings which form the raglan come directly in line with each other, by doing so, increasing 2 stitches in each sleeve, 2 in the back and 2 in each front.

When your work measures 2 inches straight down from the back of the neck, join the two fronts by casting on 14 stitches, move to the round needle. From now on knit one round between each round of widenings instead of purling.

When you have 54 stitches for each sleeve slip them on to threads and leave. Finish the sweater according to the preceding directions. Make both the body and the sleeves 1 inch longer.

5 skeins 3-ply Fingering yarn.
Set No. 5 double point needles.
No 5 round needle.
Set No. 2 double point needles.

Using two of the No. 5 double point needles as a pair, start at the back of the neck, set up 34 stitches and knit 3 ridges in plain knitting, at the same time widening 1 stitch on each end of the needle to increase the number of stitches to 38 then knit as follows:

1st row—Knit 3 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 24 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, widen on the first of the last 3 stitches and knit the remaining 2 stitches plain.

2nd row—Knit 3 stitches plain, purl across the row to the last 3 stitches, widen on the first of these and knit the remaining 2 stitches plain.

3rd row—Knit 3, knit 2 stitches again, throw the thread, knit 1, throw the thread, knit 4, throw the thread, knit 1, throw the thread, knit 26, throw the thread, knit 1, throw the thread, knit 4, throw the thread, knit 1, throw the thread, knit 2, widen on the first of the last 3 stitches and knit the remaining 2 plain.

4th and every alternate row—Same as the second.

5th row—Knit 3 stitches, and then knit 4 stitches, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 28, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 4, widen on the first of the last 3 stitches and knit the remaining 2 stitches plain.

Continue widening for the front, also throwing the thread over the needle every other row so that the holes come directly in line with each other, thus increasing 2 stitches in each front, 2 in each sleeve, and 2 in the back. Always widen 1 stitch, at the end of the row, on the first of the last 3 stitches, knit the remaining 2 stitches plain, to form the border for the V, gradually increasing the stitches until you have 28 for each front, or until the V measures 4 inches straight down from the back of the neck.

Then stop widening for the V, join the fronts and knit on to the round needle. After this knit 1 round between each round of widening. When you have 66 stitches for each sleeve, slip them on threads and leave. Join the front to the back and continue the body of the sweater on the round needle until your work measures 9 inches from the armhole to the top of the border, then rib 2 inches deep by knitting 2, purling 2.

Sleeve—With the No. 5 double point needles take the 66 stitches left on the thread and knit round for 1 inch, then narrow on a line with the underarm seam, 2 stitches every fifth round until you have 48 stitches left.

Continue if necessary without narrowing until your sleeve measures 8½ inches, then on the No. 2 needles rib the cuff 2 inches deep by knitting 2, purling 2.

CHILD'S COAT
Raglan Sleeve
3 year old

5 skeins Alloa, or
Double Knitting yarn.
Pair No. 8 needles.
Set No. 8 double point needles.
5 medium size leather buttons.

Starting at the back of the neck, with the pair of needles set up 54 stitches and purl back 1 row, then knit as follows:

1st row—Knit 11 stitches in single moss stitch, knit 3 stitches, throw the thread over the needle, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 18 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 3 stitches and knit the last 11 in single moss.

2nd row—Purl with the exception of the first 11 and the last 11 stitches, knit these in single moss to form the border.

3rd row—Knit 11 stitches in single moss, knit 4 stitches, throw thread, knit 1 stitch, throw thread, knit 4 stitches, throw thread, knit 1 stitch, throw thread, knit 20 stitches, throw thread, knit 1 stitch, throw thread, knit 4 stitches, throw thread, knit 1 stitch, throw thread, knit 4 stitches and knit the last 11 in single moss.

4th and every alternate row—Same as the second row.

5th row—Knit 11 stitches in single moss, knit 5 stitches, throw thread, knit 1 stitch, throw thread, knit 6 stitches, throw thread, knit 1 stitch, throw thread, knit 22 stitches, throw thread, knit 1 stitch, throw thread, knit 6 stitches, throw thread, knit 1 stitch, throw thread, knit 5 and knit the last 11 in single moss.

Continue throwing the thread over the needle every other row, so that the holes come directly in line with each other; by doing so increasing the number of stitches, 2 in each sleeve, 2 in the back and 1 in each front until the line of holes forming the raglan measures 9 inches, and there will be about 58 stitches for each sleeve. Slip these 58 stitches on threads and leave. Join the fronts to the back and in the next row widen 3 times right under the armholes, then continue in stockinette stitch for about 9 inches. Knit the border which will be 3 inches deep in single moss.

Sleeve—On the double point needles take the stitches left on the threads and knit round for 8 inches, then change to single moss stitch and knit the cuff 2 inches deep. Bind off loosely.

Collar—Pick up the stitches around the neck and knit single moss stitch for 4 inches.

Sew 5 leather buttons on the left side of the coat and crochet loops opposite to them.

6 year old

7 skeins will be required.

Follow the preceding directions but set up 60 stitches, giving you 3 more on each side between the border of moss stitch and the line of holes.

Knit the body as well as the sleeves about 2 inches longer.

4 skeins 3-ply Real Camel's wool.
1 skein 3-ply Fingering yarn, dark green.
1 skein 3-ply Fingering yarn, bright red.
1 skein 3-ply Fingering yarn, white.
No. 4 round needle.
Set No. 4 double point needles.
Set No. 2 double point needles.

On the round needle set up 176 stitches in the Camel's wool and rib 2 inches deep by knitting 2, purling 2, with alternate stripes of 2 rounds of the Camel's and 2 rounds of each of the colors in turn, then stop ribbing and knit round, making the border as follows:

* Knit 6 red stitches, 6 green, repeat from * to end of round. Repeat this round 5 times.

* Knit 6 white stitches, 6 red, repeat from * to end of round. Repeat this round 5 times.

This completes half of the pattern. Repeat the entire pattern once again to complete the border. Continue with the Camel's until your work measures 13 inches which brings you to the armholes, then divide your stitches as follows:

80 stitches for the back, 8 on each side for underarms, and 80 for the front.

Back—Using two of the No. 4 needles as a pair, knit in stockinette stitch for 5 inches, then leave on an extra needle.

Front—Knit 3 inches in stockinette stitch, then in the midle of the row leave on an extra needle 18 stitches for the neck. Knit the right shoulder narrowing on the neck end of the needle until you have 26 stitches, then if necessary continue knitting the shoulder until it is the same length as the back. Kitchener stitch it to the back. Make the left shoulder in the same way.

Sleeve—With the No. 4 double point needles take the 8 stitches left for the underarm and pick up 60 more around the armhole and knit round for 4 inches, then nar-

row on a line with the underarm seam 2 stitches every 6th round until your sleeve measures 13 inches, then if necessary reduce the stitches to 44, change to the No. 2 needles and rib by knitting 2, purling 2 for 2 inches, making stripes in the cuffs to match those in the border.

Neck—With the No. 2 needles take the stitches left on the extra needles and pick up the rest around the neck and rib 2½ inches deep by knitting 1, purling 1, making stripes to match the border.

When pressing the sweater turn the ribbing at the neck half way down and press out gently to form a flat little collar.

On the round needle set up 176 stitches and rib 2 inches deep by knitting 2, purling 2, then stop ribbing and knit round until your work measures 14 inches which brings you to the armholes, then divide the stitches as follows:

80 stitches for the back, 8 on each side for underarms and 80 for the front.

Back—Using two of the No. 5 needles as a pair, knit in stockinette stitch for 5½ inches, then leave on an extra needle.

Front—Knit 3½ inches in stockinette stitch, then in the middle of the row leave on an extra needle 18 stitches for the neck. Knit the right shoulder narrowing on the neck end of the needle 1 stitch every knit row until you have 26 stitches, then if necessary continue the shoulder until it is the same length as the back. Kitchener stitch it to the back. Make the left shoulder in the same way.

Sleeve—With the No. 5 double point needles, take the 8 stitches left for the underarm and pick up 60 more around the armhole, knit round for 4 inches, then narrow on a line with the underarm seam 2 stitches every 6th round until your sleeve measures 14 inches, then if necessary reduce the stitches to 44, change to the No. 2 needles and rib the cuff by knitting 2, purling 2 for 2 inches.

Neck—With the No. 2 needles take the stitches left on the extra needles and pick up the rest around the neck and rib ½ inch deep by knitting 1, purling 1. Bind off loosely.

CHILD'S CARDIGAN

9 year old

9 skeins 5-ply Fingering yarn.
Pair No. 6 needles.
Pair No. 2 needles.
5 medium size leather buttons.

On the No. 6 needles set up 78 stitches and rib by knitting 1, purling 1, for 1 inch, then change to stockinette stitch and continue until your work measures 19 inches. Now bind off 26 stitches in the middle of the row for the neck, leaving 26 stitches for each shoulder. Knit the right shoulder 1 inch deep, then start to widen. Widen 1 stitch on the front end of the needle every other row you knit (not on the rows you purl), until your work measures 5 inches from the back of the neck straight down, then cast on 8 stitches for underarm. Widen until there are 48 stitches on your needle, then knit straight down until the entire front measures 15 inches, and start to make the pocket.

In the middle of the row leave 22 stitches on an extra needle, and cast on 22 to take their place. Continue knitting the front for 3 inches more and finish with the same rib as in the back. Knit the left front the same way.

Pockets—Take the stitches you left on the extra needle and stockinette stitch for 3 inches, bind off and sew in place on the wrong side of the sweater. Pick up the stitches across the front of the pocket and rib ¾ of an inch deep by knitting 1, purling 1, and bind off loosely. Sew each end of this band to the sweater to hold it in place.

Sleeve—Pick up about 64 stitches and stockinette stitch for 5 inches, then start to narrow. Narrow 1 stitch on each end of the needle every fifth row until your sleeve measures 13½ inches, then if necessary, reduce the stitches to 40, change to No. 2 needles and rib the cuff 2½ inches deep by knitting 1, purling 1.

Band—Set up 12 stitches on the No. 2 needles, rib by knitting 1, purling 1 throughout. Make the band long enough to go up one side, around the neck, and down the other side. Make 5 buttonholes in one side, a little over 3 inches apart. (For making buttonholes see page 4.)

Sew the band on the sweater.

On the pair of needles set up 80 stitches and rib 2 inches deep by knitting 2, purling 2, then stockinette stitch for 18 inches more. Leave on an extra needle 28 stitches in the middle of the row for the neck, 26 for each shoulder. Start with the right shoulder.

V Neck—Knit 1 inch, then widen 1 stitch on the neck end of the needle every knit row (not when you purl) until there are 40 stitches. Leave these and knit the other shoulder to match. Join them.

Round Neck—Knit the shoulder 1 inch deep, then widen as for the V neck, but only 5 times. Make the second shoulder the same. Join the two by casting on 20 stitches.

To finish either the V or the Round neck take the stitches left on the extra needle, change to the No. 3 needles, pick up the rest around the neck and rib ¾ of an inch deep by knitting 1, purling 1. Bind off loosely.

Turtle Neck—Knit each shoulder 2 inches, then cast on 28 stitches and join them. To finish, take the stitches left on the extra needle at the back, pick up the rest around the neck and rib by knitting 2, purling 2 for 5 inches on the No. 3 needles. An extra skein will be required for this neck.

After finishing the neck continue until the front measures 5 inches straight down from the back, then cast on 8 stitches on each end of the needle for underarms, and knit the front to match the back in length with the same border at the bottom.

Sleeve—With the No. 6 double point needles pick up 68 stitches, including the 8 left for the underarm, knit 4 inches, then on a line with the underarm seam narrow 2 stitches every inch until the sleeve measures 14½ inches, change to the No. 3 needles and if necessary reduce the number of stitches to 44, and rib the cuff 2½ inches deep by knitting 2, purling 2.

Use the directions on pages 15-16 for the sweater.

TROUSERS
1-2 year old

2 skeins 2-ply Fingering yarn.
Set No. 3 double point needles.
Set No. 2 double point needles.

Set up 160 stitches and rib ¾ of an inch by knitting 2, purling 2, then make a row of holes to run the elastic through. (See page 5 for making holes.) Continue your work until it measures 10 inches deep, then divide the stitches equally, one-half for each leg. Knit each leg ½ inch more, finishing with a rib ½ inch deep by knitting 2, purling 2 on the No. 2 needles.

BOY'S SUIT
JACKET WITH COLLAR
3 year old

5 skeins 3-ply Fingering yarn.
Pair No. 5 needles.
Pair No. 2 needles.

Jacket—Set up 76 stitches and rib 2 inches deep by knitting 2, purling 2. Then change to stockinette stitch and continue for 13 inches more which completes the back. Bind off 26 stitches in the middle of the row for the neck, leaving 25 for each shoulder, and without knitting any shoulder piece, on the right side cast on 16 stitches for one-half the front. Purl over and knit back once, making the last 6 stitches at the front plain knitting. In the next row knit 2 stitches and make a buttonhole (see page 4). Continue for 1 inch and make a second buttonhole, continue for 1 inch and make a third buttonhole; knit over and purl back twice, leave on an extra needle and take up the other shoulder. Make this the same as the first, omitting the buttonholes. When it matches the other in length, bind off the 6 stitches nearest the front and join the 2 pieces by knitting all the way across and back. Knit the front to match the back in length. Sew the 6 bound-off stitches of the lapover in the front underneath the buttonhole piece and finish with 3 small buttons.

Sleeve—Pick up 60 stitches across the shoulder from 4 inches down the back to 4 inches down the front. Stockinette stitch 4 inches, then narrow next to last stitch on both ends of needle every 4th row until you have reduced

the stitches to 40. Continue if necessary without narrowing until your sleeve measures 8 inches, then change to the No. 2 needles and rib the cuff 2½ inches deep by knitting 2, purling 2.

Collar—Pick up the stitches around the neck from within 3 stitches of each end and rib by knitting 1, purling 1 for 3 inches. Bind off loosely.

Trousers—Set up 72 stitches and rib ½ inch deep by knitting 2, purling 2. In the next row make holes about ½ inch apart for the elastic to run through. Change to stockinette stitch and knit 1 inch. Now widen 1 stitch on each end of the needle every 6th row until the leg measures straight down 11 inches including the rib. You should now have about 90 stitches on your needle.

Now narrow 1 stitch on each end of the needle every row, both knit and purl until you have 64 stitches left. Knit the leg 2 inches more and finish with a rib ½ inch deep by knitting 2, purling 2, and bind off loosely. Make the second leg to match, and sew together and run the elastic through the holes.

PLAIN SKIRT

The above are approximate amounts required. To get about the measure you wish, set up a few stitches and knit a small piece, count the number of stitches you have to the horizontal inch and multiply them by the required number of inches.

Start at the bottom and knit round until you reach the hip line which will be about 9 inches less than the required length of the skirt, then start to narrow.

Narrow in one round 30 times by knitting 2 stitches together about every 10th stitch, knit 1 inch and narrow 30 times again. Knit another inch, and then narrow in one round to fit the waist measure. Continue until skirt is required length. Bind off loosely.

Finish the bottom of the skirt with 3 rounds of single crochet, holding the wrong side of the skirt toward you as you work. Fasten elastic inside the top of skirt with cat-stitch.

FLARED SKIRT

Set up 30 stitches more than are required for a plain skirt, and when you reach the hip line narrow in one round 40 times instead of 30. Knit 1 inch and narrow again 40 times; continue until you have the required waist measure. The skirt should fit very snug and close around the hips.

RIBBED SKIRT

8 skeins 3-ply Fingering yarn.

No. 5 round needle.

Set up 336 stitches and rib by knitting 8, purling 4 until you come to the hip line, which will be within 10 inches of required length, then narrow 1 stitch in each wide rib of 8 stitches all the way around. Knit 1 inch and then narrow 1 stitch in each small rib of 4 stitches, all the way around. Continue to narrow every inch, first in the wide rib, then in the small rib, until your skirt is the right length. Bind off and fasten elastic inside, or make a row of holes to run the elastic through, knit one round and bind off very loosely.

Esmerene silk, 6 skeins.

2-ply Fingering yarn, 10 skeins.

With a No. 3 round needle set up 387 stitches and rib by knitting 6, purling 3.

GORED SKIRT

Set up 30 stitches more than required for a plain skirt, but be sure the number is divisible by 26. For instance if using 3-ply wool there would be 312 stitches.

Knit 24, purl 2, for 12 inches, then narrow 1 stitch in every knit rib all the way around the skirt. Narrow in these same places every 3 inches until you have the proper hip and waist measure.

ONE-PIECE DRESS
Raglan Sleeve

Size 36

16 skeins 2-ply Fingering yarn, or
10 skeins Esmerene silk.
No. 3 round needle.
No. 2 round needle.
Set No. 3 double point needles.
Set No. 2 double point needles for cuffs.
No. 2 crochet hook.

When using these yarns and needles follow the directions written for Raglan Sweater on page 46 until you reach the waist line which will be about 8 inches down from the underarm.

Or 12 skeins 3-ply Fingering yarn, or
16 skeins May Queen silk-and-wool.
No. 5 round needle.
No. 3 round needle.
Set No. 5 double point needles.
Set No. 2 double point needles for cuffs.

When using these yarns and needles follow the directions written for Raglan Sweater on page 45 until you reach the waist line which will be about 8 inches down from the underarm. Follow the directions for either of the wools given above. When you reach the waist line move to the smaller size round needle and reduce the stitches in one round about 20 times, or whatever is necessary to get the correct waist measure. Knit about 6 inches more, then return to the larger round needle and in one round widen 30 times, knit 1 inch, widen in the same places 40 times, knit 2 inches and widen 40 times again. Knit the required length, bind off and finish with 2 rounds of single crochet.

Sleeve—With the larger size double point needles take the stitches left on the threads and knit without narrowing to within 3 inches of the required length, then in 1 round reduce the stitches to 48 and rib the cuff by knitting 2, purling 2 on the No. 2 needles.

Belt—Make a chain the length of the waist measure and go back and forth in single crochet until the belt is 2 inches wide.

If a lace design is desired in the blouse, follow any of the lace directions, start just below the V and end about ½ inch above where you change the needle for the waist. The same design can be used on the sleeves just above the cuffs making it about 4 inches deep.

LACE DRESS TWO-PIECE

Round Neck—Short Sleeves

Size 36

Blouse

8 skeins 2-ply Fingering yarn.
Pair No. 3 needles.
Set No. 2 double point needles.
No. 2 crochet hook.

Front—Starting at the bottom on the No. 3 needles set up 113 stitches and knit plain 3 ridges, then start the design as follows:

Knit 1 stitch, * throw the thread over the needle, knit 6 stitches, knit 3 stitches together, knit 6 stitches, throw the thread over the needle, knit 1 stitch, repeat from * to end of row.

2nd row—Purl with the exception of the first and the last stitch, knit these plain.

Repeat these 2 rows throughout. When you have knit 17 inches bind off on each end of the needle 7 stitches for underarm pieces, now narrow 5 times, 1 stitch on each end of the needle every knit row, then knit without narrowing 2 inches more.

Slip on to an extra needle 25 stitches for the neck, this will leave 32 on each side for the shoulders. Continue with the left side, narrowing on the neck end of the needle 1 stitch every other knit row until you have taken off 5 stitches, then knit without narrowing until your entire work measures 23 inches, bind off. Knit the right side to match.

Back—Start at the bottom and knit it exactly the same as the front, but after you finish the narrowings at the armholes, knit straight up until the work measures 23 inches, then bind off 27 stitches on each end of the needle for the shoulders, leaving 35 on an extra needle for the neck.

Sleeve—Start at the bottom, set up 81 stitches knit 3 ridges in plain knitting, then knit the design as in the blouse. There will be 5 patterns in the sleeve. When your work measures 5½ inches deep, bind off on each end of the needle 7 stitches, then narrow on the first stitch of every row, both knit and purl until you have reduced the stitches to 32. Knit 1 row plain without the design and bind off.

To finish—Sew up the side seams and shoulders of the blouse, as well as the seams in the sleeves, and sew the sleeves in place.

Neck—With the No. 2 double point needles take the stitches left on the extra needles, pick up those on each

side, and rib ½ inch deep by knitting 1, purling 1. Bind off loosely.

When pressing—Gently pull each pattern down to form a point, in the sleeves as well as the bottom of the sweater.

Belt—Make a chain the length desired (about 30 inches) and single crochet for 2 inches. Fasten with a fancy buckle.

Skirt

10 skeins 2-ply Fingering yarn.
No. 3 round needle.

Set up 384 stitches and purl 1 round, knit 1 round, purl 1 round, then start the design as follows:

1st round—Knit 6 stitches, knit 3 stitches together, knit 6 stitches, throw the thread over the needle, knit 1 stitch, throw the thread over the needle and repeat to end of round.

2nd round—Knit 1 round plain.

Repeat these 2 rounds until the skirt measures 15 inches, then in one round narrow by knitting together the first 2 and the last 2 stitches in each section of 6 stitches, thus reducing the design to knit 5, knit 3 together, knit 5, throw the thread, knit 1, throw the thread. Knit 3 inches, then narrow in the same way reducing the design to knit 4, knit 3 together, knit 4, throw the thread, knit 1, throw the thread. There should now be 288 stitches on the needle. Knit 3 inches more which brings you to the yoke. Change to stockinette stitch, and in the next round narrow 48 times. Knit 3 inches, then in one round narrow about 40 times again, or enough to get the proper waist measure. Now continue without narrowing until the skirt is the required length. Bind off, and cat-stitch elastic inside.

When pressing—Gently pull each pattern at the bottom down to form a point.

BROOKS SLIP-OVER

Size 38

7 skeins 3-ply Fingering yarn.
Pair No. 5 needles.
Set No. 5 double point needles.
Set No. 2 double point needles.

On the pair of needles set up 96 stitches for the back which should measure 14 to 15 inches wide.

Rib the border 3 inches deep by knitting 2, purling 2, then stockinette stitch until the back measures in all 17

inches. Now narrow 1 stitch on both ends of the needle every knit row until you have 80 stitches. Knit 5 inches more, then leave 30 in the middle of the row on an extra needle for the neck.

Start with the right side and knit ¾ of an inch, then widen for the V, 1 stitch on the neck end of the needle every other row until you have 45 stitches. Knit the second front in the same way. Join the two. Also when your work measures 5 inches straight down from the back of the neck, widen 1 stitch on the armhole end of the needle every knit row until you have 108 stitches.

Now cast on each end of the needle 10 stitches more for underarm pieces. Knit the front the same length as the back with the same border at the bottom.

Sleeve—With the No. 5 double point needles pick up 80 stitches around the armhole including the 10 for the underarm, knit 4 inches, then narrow 2 stitches on a line with the underarm seam every 8th round, until within 3 inches of the required length of the sleeve. Now if necessary reduce the stitches to 48, change to the No. 2 needles and rib the cuff 3 inches deep by knitting 2, purling 2.

Neck—With the No. 2 double point needles pick up the stitches around the neck and rib by knitting 1, purling 1 for ½ inch.

BROOKS SLIP-OVER

Size 36

8 skeins 2-ply Fingering yarn, or Shetland, or
5 skeins Esmerene silk.
Pair No. 3 needles.
Set No. 3 double point needles.
Set No. 2 double point needles.

On the pair of needles set up 112 stitches. Rib 2 inches deep by knitting 2, purling 2, then stockinette stitch until the back measures 17 inches. Now narrow 1 stitch on both ends of the needle every knit row until you have 96 stitches.

Knit 5 inches more and then leave 36 stitches in the middle of the row on an extra needle for the neck.

V-Neck—Start with the right side and knit ¾ of an inch, then widen 1 stitch on the neck end of the needle every other row until you have 50 stitches. Knit the second side in the same way and join the two.

Round Neck—Start with the right side and knit 1 inch, then widen 1 stitch on the neck end of the needle every other row until you have increased 6 stitches. Knit the second side in the same way and join the two by casting on 18 stitches.

Meanwhile when your work measures 6 inches straight down from the back of the neck, widen 1 stitch on each end of the needle every knit row until you have 116 stitches, then cast on each end of the needle 10 stitches more for underarm pieces. Knit the front the same length as the back with the same border at the bottom.

Sleeve—With the No. 3 double point needles pick up 86 stitches around the armhole, including the 10 for the underarm, knit 4 inches, then narrow 2 stitches on a line with the underarm seam every 8th round until within 3 inches of the required length of the sleeve. Now if necessary reduce the stitches to 48, change to the No. 2 needles and rib the cuff 3 inches deep by knitting 2, purling 2.

Neck—With the No. 2 needles pick up the stitches around the neck and rib by knitting 1, purling 1 for ¾ inch. Bind off loosely.

BROOKS JACKET

Size 34

9 skeins 2-ply Fingering yarn, Shetland, or Real Camel's.
Set No. 3 double point needles.
Set No. 2 double point needles.

Using two of the No. 3 double point needles as a pair, start at the bottom of the jacket. Set up 250 stitches to go from one front all the way around to the other front. Rib by knitting 1, purling 1 for 1 inch, then change to stockinette stitch and continue for 1¾ inches. Now make a button hole 4 stitches wide on the right hand front, continue in stockinette stitch and every 3 inches make a button hole, (see page 4). When your work measures 16 inches, divide the stitches as follows:

108 for the back, 12 on each side for underarm pieces, 59 for each front.

Continue the right front making the button holes every 3 inches apart until you have knit 5½ inches more, then leave 24 stitches on an extra needle for the neck and knit the shoulder 1½ inches. Leave and make the left front the same way.

Return to the back and knit it 7 inches more. Kitchener the shoulders together leaving the stitches at the back of the neck on an extra needle.

Neck—With the No. 2 needles take the stitches left on the extra needle on the back and on each front, pick up those across the shoulders and rib the band ½ inch deep by knitting 2, purling 2. If you have not made the top button hole make it now in the first row of the band.

Sleeve—With the No. 3 double point needles pick up 86 stitches around the armhole, including the 12 for the underarm, knit 4 inches, then narrow 2 stitches on a line with the underarm seam every 8th round until within 3 inches of the required length of the sleeve. Now if necessary reduce the stitches to 48, change to the No. 2 needles and rib the cuff 3 inches deep by knitting 2, purling 2.

Sew a piece of grosgrain ribbon on the outside of each front. In the right side you will have to cut button holes in the ribbon to correspond with those in the knitting and stitch them.

If preferred omit the ribbon and knit a border by keeping 9 stitches in single moss stitch on each end of the needle making the button holes in it.

SLIP-OVER SWEATER

Round Neck

Size 38-40

8 skeins 3-ply Fingering yarn.
No. 5 round needle.
Set No. 5 double point needles.
Set No. 2 double point needles.

On the round needle set up 224 stitches and rib 2 inches deep by knitting 2, purling 2, then knit round until your work measures 17 inches. Now divide your stitches; first take off 100 for the back, next to them on each end of the needle 12 for underarm pieces, leaving 100 for the front.

Back—Knit 7 inches more, at the same time narrowing gradually as you do so 8 times on each end of the needle to reduce your stitches to 84. Leave and return to the front.

Front—Narrow gradually on both ends of the needle 8 times just as you did in the back. When you have knit 3½ inches take off in the middle of the row 20 stitches for the neck. Knit the right shoulder, narrowing 1 stitch every other row on the neck end of the needle, until you have 28 stitches left, then knit without narrowing until it is the right length. Kitchener stitch it to the back. Make the second shoulder the same way.

Sleeve—With the No. 5 double point needles pick up 80 stitches around the armhole including the 12 for underarm pieces, and knit for 4 inches, then narrow 2 stitches on a line with the underarm seam every 8th row. Narrow in this way until the stitches are reduced to 56, continue without narrowing until within 3 inches of the required

length, then change to the No. 2 needles, reduce the stitches to 48 and rib the cuff 3 inches deep by knitting 2, purling 2

Neck—With the No. 2 needles pick up the stitches around the neck and rib ½ inch deep by knitting 1, purling 1. Bind off very loosely.

LACE BLOUSE

London Model

Size 36

6 skeins 2-ply Shetland, dark brown.
4 skeins 2-ply Shetland, white.
Pair No. 3 needles.
Set No. 2 double point needles.

Back—Starting at the bottom in the brown wool set up 118 stitches and rib by knitting 1, purling 1 for 5 inches, then in one row increase the number of stitches to 129 by widening 11 times. Now start the design which is knit as follows:

1st row—* Knit 6 stitches, knit 2 stitches together, throw the thread over the needle, repeat from *, 7 times, which brings you to the center of the back, knit 1 stitch, ** throw the thread over the needle, slip 1 stitch, knit 1 stitch, pass the slipped stitch over the knit stitch, knit 6 stitches, repeat from ** 7 times.

2nd and every alternate row purl.

3rd row—Knit 5, * knit 2 together, throw thread, knit 6, repeat from * 6 times, knit 2 together, throw thread, knit 3, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with knit 5.

5th row—Knit 4, * knit 2 together, throw thread, knit 6, repeat from * 6 times, knit 2 together, throw thread, knit 5, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with knit 4.

7th row—Knit 3, * knit 2 together, throw thread, knit 6, repeat from *, 6 times, knit 2 together, throw thread, knit 7, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with knit 3.

9th row—Knit 2, * knit 2 together, throw thread, knit 6, repeat from * 6 times, knit 2 together, throw thread, knit 9, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with knit 2.

11th row—Knit 1, * knit 2 together, throw thread, knit 6, repeat from * 6 times, knit 2 together, throw thread,

knit 11, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with knit 1.

13th row—* Knit 2 together, throw thread, knit 6, repeat from * 6 times; knit 2 together, throw thread, knit 13, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6, repeat from ** 6 times, but end with slip 1, knit 1, pass slipped stitch over knit stitch.

15th row—Knit 7, * knit 2 together, throw thread, knit 6, repeat from * 5 times, knit 2 together, throw thread, knit 15, ** throw thread, slip 1, knit 1, pass slipped stitch over knit stitch, knit 6 and repeat from ** 5 times but end by knitting 7.

This completes one whole design, repeat from 1st row until you have 3 designs. Now start with the white by knitting the center stitch in it. You will have to have 3 balls, 2 of the brown, one for each side, and one of the white for the middle. Knit each side in the brown as heretofore, knit the middle stitch in the white, winding the two colors around each other so as to hold them firmly together, and on the row you purl back do the same. Each knit row add 2 more stitches of the white making a diamond shape wedge which gets wider and wider until you reach the armhole which will be about 7 designs or when your work measures 14½ inches including the rib at the bottom. Now bind off on each end of the needle 8 stitches for underarms. Narrow 1 stitch on each end of the needle every knit row until you have done away with the brown entirely. Continue in the white until your entire work measures 22 inches, then bind off on each end of the needle 2 stitches every knit row to shape the shoulders. When you have 39 stitches left for the back of the neck, slip on to an extra needle and leave.

Front—Starting at the bottom use the same directions as for the back until your work measures 16½ inches, then start the V.

Divide the stitches equally in half, knitting the right side first. Continue narrowing for the armhole, at the same time narrowing 1 stitch every knit row on the neck end of the needle until the front is the same length as the back. Then bind off 2 stitches on the armhole end of the needle every knit row until the entire shoulder is bound off. Make the left side the same.

Sleeves—Start at the cuff with the No. 3 needles and the brown wool and set up 54 stitches, rib by knitting 1, purling 1 for 2½ inches, then in one row increase the stitches to 65 and knit the design as you did in the body of

the blouse. When you have knit 3 designs, start with the white wool on the middle stitch, also widen 1 stitch on each end of the needle every 3 rows until you have finished with the brown, then widen every ½ inch until you reach the armhole. There will now be 2 more sections of the design in the white, and your entire sleeve should measure about 18 inches. Now continuing the design, narrow 1 stitch on both ends of the needle every knit row until there are 30 stitches left, bind these off.

To finish—Sew up the sides of the blouse, also the sleeves and sew in place.

Neck—Take the stitches left on the extra needle, and with the white wool pick up the rest on each side of the V and rib ½ inch deep by knitting 1, purling 1.

CROSS-OVER SWEATER

Size 38

10 skeins May Queen silk-and-wool, or
8 skeins 3-ply Fingering yarn.
No. 3 round needle.
Set No. 5 double point needles.
No. 3 crochet hook.

On the round needle set up 216 stitches and rib by knitting 2, purling 2 for 4½ inches, then move your work to two of the No. 5 needles as the rest of the sweater will have to be knit back and forth instead of around. Cast on the end of the needle 40 stitches—this is for the under-lap of the left side of the front, change to stockinette stitch with the exception of 6 stitches on each end of the needle, these are always knit plain to form a border. Knit 1 inch, then start to narrow as follows:

Narrow by knitting together the 7th and 8th stitch on both ends of the needle every 4th row. Narrow in this way 24 times which should bring you to the armholes. There should now be about 208 stitches left on your needle.

Divide them by putting 84 stitches in the middle of the row on an extra needle for the back. Next to these 84 stitches take 12 off each side for an underarm piece leaving them on stitch pins. You should now have 50 stitches for each front.

Back—Take the 84 stitches left for the back and knit for 6½ inches, then in the next 6 rows knit the 36 stitches in the middle in plain knitting, and on each side of them knit stockinette stitch. This is to outline the back of the neck. Now in the middle of these 36 stitches bind off 24, leaving for each shoulder 30.

Fronts—Keep 6 stitches in plain knitting on the end of the needle, and narrow next to them on every 4th row as you did before, when within 1½ inches of the required length, in 1 row reduce the stitches to 30. Continue until the front is the same length as the back, Kitchener stitch them together.

Knit the second front in the same way.

Sleeve—With the No. 5 double point needles pick up 80 stitches around the armhole including the 12 left for the underarm piece and knit for 4 inches, then narrow 2 stitches on a line with the underarm seam every 8th row. Narrow in this way until you reduce the stitches to 48 and the sleeve is within 2½ inches of the required length, now stop narrowing but continue for 2½ inches more. Bind off loosely and finish with 2 rounds of single crochet.

On the right side of the sweater crochet 3 loops about 2 inches apart for the buttons which are sewed on opposite to them, also sew 3 buttons on the outside of each sleeve.

Esmerene Silk

Using No. 3 needles, 5 skeins will be required. Set up 250 stitches. Follow the preceding directions to the armhole, then divide the stitches as follows:

Back 106—underarms 12 each—sleeves 86.

Set No. 5 double point needles.
Set No. 2 double point needles.

Using two of the No. 5 double point needles set up 100 stitches and rib by knitting 1, purling 1 for 1½ inches, then change to stockinette stitch and knit until the back measures 18 inches. Continue for 7 inches more, narrowing as you do so 1 stitch on each end of the needle about every 3rd row until you have decreased the stitches to 84, then bind off in the middle of the row 28 stitches for the neck, leaving 28 for each shoulder. Knit the first shoulder 2 inches deep, then start to widen.

Widen 1 stitch on both ends of the needle every 6th row until you have knit 7 inches from the back of the neck down, then cast on 12 stitches for the underarm piece.

Continue widening on the front until your work measures 16 inches straight down from the back of the neck, then knit without widening until the front is the same length as the back with the same border at the bottom. Return to the second front and knit it the same way.

Sleeve—With the No. 5 double point needles pick up 80 stitches around the armhole and knit 4 inches, then narrow every 6th row, 2 stitches on a line with the underarm until there are 50 stitches left, or to within 2½ inches of the required length. Change to the No. 2 needles and rib the cuff by knitting 1, purling 1 and bind off loosely.

Band—Using 2 of the No. 2 needles set up 16 stitches and rib by knitting 1, purling 1 until the band is long enough to go up the two fronts and around the neck. Make 6 button holes in one side. (See page 4.) The band is to be sewed on to the jacket with the button holes on the right hand side.

Patch Pockets—(See page 5.)

RAGLAN SWEATERS

To alter the size of any raglan be governed by the length of the line which forms the raglan.

In a size 32 the line will measure about 8 inches and each size larger about ½ inch longer.

RAGLAN SWEATER

V Neck

Size 36

7 skeins 3-ply Fingering yarn.
Set No. 5 double point needles.
Set No. 2 double point needles.
No 5 round needle.

Start at the back of the neck, using two of the No. 5 double point needles. Set up 36 stitches, knit 3 ridges in plain knitting and at the same time widen 1 stitch on each end of the needle until you have 40 stitches, then knit as follows:

1st row—Knit 3 stitches, throw the thread over the needle, knit 1 stitch, throw thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, knit 26 stitches, throw thread, knit 1 stitch, throw thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, widen on the next stitch and knit the remaining 2 stitches plain.

2nd row—Knit 3 stitches plain, purl across the row to the last 3 stitches, widen on the 1st of these and knit the remaining 2 stitches plain.

3rd row—Knit 3 stitches, knit 2 stitches more, throw thread, knit 1 stitch, throw thread, knit 4 stitches, throw thread, knit 1 stitch, throw thread, knit 28 stitches, throw thread, knit 1 stitch, throw thread, knit 4 stitches, throw thread, knit 1 stitch, throw thread, knit 2 stitches, widen on the 1st stitch of the last 3 and knit the remaining 2 plain.

4th and every alternate row—Same as the second.

5th row—Knit 3 stitches, knit 4 stitches more, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 30, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 4, widen on the 1st stitch of the last 3 and knit the remaining 2 plain.

Continue widening for the front, also throwing the thread over the needle every other row so that the holes come directly in line with each other, thus increasing 2 stitches in each front, 2 in the sleeves and 2 in the back.

When your work measures 6½ inches straight down from the middle of the back, stop widening for the V, join the two fronts and knit on to the round needle, continue widening for the raglan but now knit 1 round plain between each round of widenings.

When you have 76 stitches for each sleeve, slip them on to a thread and leave. Join the front to the back and knit the body of the sweater until within 3 inches of the required length, then finish with a border ribbed by knitting 2, purling 2. If you wish the rib to fit tightly around the hips, narrow about 20 times in the row just before you start the ribbing and change to smaller needles.

Sleeve—With the No. 5 double point needles take the 80 stitches left for the sleeve and knit round for 2 inches, then narrow on a line with the underarm seam 2 stitches every 7th round until you have about 48 stitches left; if necessary knit without narrowing until your sleeve is within 2½ inches of the required length, change to the No. 2 needles and rib the cuff by knitting 2, purling 2.

This sweater can also be made in alternate bands of stockinette stitch 1 inch wide, with either open work stitch or single moss stitch, 2 inches wide, Be careful to keep the line of the raglan.

RAGLAN SWEATER

V Neck

Size 38

5 skeins Esmerene silk, or
9 skeins 2-ply Fingering yarn.
No. 3 round needle.
Set No. 3 double point needles.

Start at the back of the neck, using two of the double point needles. Set up 36 stitches, knit 3 ridges of plain knitting and at the same time widen 1 stitch on each end of the needle until there are 40 stitches, then knit as follows:

1st row—Knit 3 stitches, throw the thread over the needle, knit 1 stitch, throw the thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, knit 26 stitches, throw thread, knit 1 stitch, throw thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, widen on the next stitch and knit the remaining 2 stitches plain.

2nd row—Knit 3 stitches plain, purl across the row to the last three stitches, widen on the first of these and knit the remaining 2 stitches plain.

3rd row—Knit 3 stitches, knit 2 stitches more, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 28, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 2, widen on the first stitch of the last 3 and knit the remaining 2 plain.

4th and every alternate row—The same as the second.

5th row—Knit 3 stitches, knit 4 stitches more, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 30, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 4, widen on the first stitch of the last 3 and knit the remaining 2 plain.

Continue widening for the front also throwing the thread over the needle every other row so that the holes come directly in line with each other, thus increasing 2 stitches in each front, 2 in each sleeve and 2 in the back.

When your work measures 2 inches straight down from the middle of the back widen on each front, between the border and the line of the raglan, 6 times in one row, and in the same row widen 1 stitch on every third stitch across the back also.

From now on widen for the fronts on every other row instead of every row as heretofore.

When your work measures 7 inches straight down from the back of the neck stop widening for the V, join the two fronts and knit on to the round needle; continue widening for the raglan, but always knit one round plain between each round of widenings.

When you have 86 stitches for each sleeve slip them on to threads and leave. Join the front to the back and knit the body of the sweater until within 3 inches of the required length, then finish with a border ribbed by knitting 2, purling 2. If you wish the rib to fit tightly around the hips, narrow about 20 times in the row just before you start the ribbing.

Sleeve—With the double point needles take the 86 stitches left for the sleeve and knit round for 2 inches, then narrow on a line with the underarm seam 2 stitches every 7th round until you have about 52 stitches left, if necessary

knit without narrowing until your sleeve is within 2½ inches of the required length, finish with a rib made by knitting 2, purling 2.

Cap Sleeve—With the double point needles take the stitches left for the sleeve and knit round for 2 inches, then narrow in 1 round 20 times, finishing with a rib ½ inch deep by knitting 2, purling 2.

RAGLAN SWEATER

Without Holes

Round Neck

Size 36

7 skeins 3-ply Fingering yarn.
No. 5 round needle.
Set No. 5 double point needles.
Set No. 2 double point needles.

Start at the back of the neck on two of the No. 5 double point needles, set up 39 stitches and purl back one row, then knit as follows:

1st row—Widen on the 1st stitch, knit 1 stitch, widen twice (which means to widen on each of the next 2 stitches), knit 2 stitches, widen twice, knit 23 stitches, widen twice, knit 2 stitches, widen twice, knit 1 stitch and widen on the last stitch.

2nd row—Purl all the way across the row.

3rd row—Widen on the 1st stitch, knit 3 stitches, widen twice, knit 4 stitches, widen twice, knit 25 stitches, widen twice, knit 4 stitches, widen twice, knit 3 stitches and widen on the last stitch.

4th and every alternate row—Same as the 2nd row.

5th row—Widen on the 1st stitch, knit 5 stitches, widen twice, knit 6 stitches, widen twice, knit 27 stitches, widen twice, knit 6 stitches, widen twice, knit 5 stitches and widen on the last stitch.

Continue widening every other row so that the widenings which form the raglan come directly in line with each other, and by doing so increase 2 stitches in each sleeve, 2 in the back and 2 in each front.

When your work measures 2¾ inches straight down from the back of the neck, join the two fronts by casting on 24 stitches and move to the round needle. Continue widening for the raglan but always knit one round plain between each round of widenings.

When you have 76 stitches for each sleeve slip on to threads and leave. The rest of the sweater is knit according to the directions for the raglan sweater, 3-ply Fingering yarn page 45.

Neck—On the No. 2 double point needles pick up the stitches around the neck and rib ½ inch deep by knitting 1, purling 1. Bind off loosely.

Neck—On the No. 2 double point needles pick up the stitches around the neck and rib ½ inch deep by knitting 1, purling 1. Bind off loosely.

BROOKS JACKET
Raglan Without Holes
Size 36

5 skeins Real Shetland yarn, orange.
3 skeins 3-ply Fingering yarn, champagne.

Set No. 5 double point needles.
Set No. 2 double point needles.

This jacket is knit in alternate bands, 10 rows deep of each color, starting with the champagne, and 6 stitches are kept in plain knitting on each end of the needle to form borders which run from the neck to the top of the rib, and in which the button holes are made on the right hand side.

Start at the back of the neck on two of the No. 5 double point needles, set up 41 stitches and purl back one row, then knit as follows:

1st row—Widen on the 1st stitch, knit 1 stitch, widen twice (which means to widen on each of the next 2 stitches) knit 2 stitches, widen twice, knit 25 stitches, widen twice, knit 2 stitches, widen twice, knit 1 stitch and widen on the last stitch.

2nd row—Purl all the way across the row.

3rd row—Widen on the 1st stitch, knit 3, widen twice, knit 4, widen twice, knit 27, widen twice, knit 4, widen twice, knit 3 and widen on the last stitch.

4th row—Same as the 2nd.

Now cast on each end of the needle 20 stitches and knit as follows:

5th row—Knit 6 stitches, knit 15 stitches, widen twice, knit 6, widen twice, knit 29, widen twice, knit 6, widen twice, knit 15, and knit the last 6 stitches.

6th and every alternate row from now on—Purl except the first 6 and the last 6 stitches, knit these plain.

In the next row make your first button hole on the right hand end by binding off 2 stitches in the middle of the border, and on the next row cast on 2 to take their place. Also make a button hole in the same position on every champagne band down the front of the sweater, and 2 more in the rib at the bottom at equal distances apart.

Continue, widening every other row so that the widenings which form the raglan come directly in line with each other, and by doing so increasing 2 stitches in each sleeve, and 2 in the back.

When you have 76 stitches for each sleeve slip on to threads and leave. Join the fronts to the back and knit until within 3½ inches of the required length, then change to two of the No. 2 double point needles, and with the orange wool rib the border 3½ inches deep by knitting 2, purling 2.

Sleeve—With the No. 5 double point needles take the 76 stitches left for the sleeve and knit round for 2 inches,

then narrow on a line with the underarm seam, 2 stitches every 6th round until you have about 52 stitches left, then if necessary knit without narrowing until your sleeve is within 3 inches of the required length, reduce the stitches to 48, move to the No. 2 needles and with the orange wool, rib the cuff 3 inches deep by knitting 2, purling 2.

Neck—With the champagne wool and the No. 2 needles pick up the stitches around the neck and rib ½ inch deep by knitting 2, purling 2.

CROSS-OVER SWEATER WITH REVERES

Raglan Without Holes

Size 38

10 skeins 2-ply Shetland, or Real Camel's.
Pair No. 3 needles.
Set No. 3 double point needles.
Pair No. 0 needles.
4 button moulds size of a nickel.

Start at the back of the neck by setting up 86 stitches and purl back.

1st row—Knit in single moss 21 stitches, knit 6 stitches, widen twice, knit 2 stitches, widen twice, knit 20 stitches, widen twice, knit 2 stitches, widen twice, knit 6 stitches, and knit in single moss the last 21 stitches.

2nd row—Purl, with the exception of the first 21 and the last 21 stitches, always knit these in single moss to form the border.

3rd row—Knit in single moss 21 stitches, knit 7, widen twice, knit 4, widen twice, knit 22, widen twice, knit 4, widen twice, knit 7, and knit in single moss the last 21 stitches.

4th and every alternate row—The same as the second.

Continue widening every other row so that the widenings which form the raglan come directly in line with each other, and by doing so increase 2 stitches in each sleeve, 2 in the back and 1 in each front.

When you have knit 8 rows, widen 1 stitch on each end of the needle next to the moss stitch borders, and widen in this same place every 8th row until you take the sleeves off, also when your work measures 2 inches deep, widen on each front 6 times in one row between the border and the line of the raglan.

When you have 86 stitches for each sleeve slip on to threads and leave, join the back and the fronts together and knit 3 inches.

There are 4 button holes in the right hand side of the border, 2 on a line with each other. Make the first pair now as follows:

Keeping the moss stitch as heretofore knit 4 stitches, bind off 3 for the first button hole, knit 7 stitches, bind off 3 for the second button hole, and finish the row. On the next row back, cast on 3 stitches for each button hole to take the place of those you bound off.

Knit 3 inches and make the second pair of button holes in the same way. Knit 3 inches more, then bind off the 21 stitches of single moss stitch on the LEFT side to form a lap under.

Change to the No. 3 double point needles, join your work and at the same time make two pockets.

To make the pockets, leave on extra needles 22 stitches on each side, about 2 inches from the moss stitch border, and cast on 22 on each side to take their place. Rib by knitting 1, purling 1 for 3 inches and bind off. To finish the pockets, take the stitches left on the extra needles and rib by knitting 1, purling 1 for 3 inches, bind off and sew on the inside. Also sew the lap of moss stitch in place.

Sleeve—With the double point needles take the stitches left on threads and knit 1 inch, then narrow 2 stitches every 7th round on a line with the underarm seam until you have about 48 stitches. When within 2½ inches of required length, rib the cuff by knitting 1, purling 1.

Collar—Pick up the stitches around the neck inside the moss stitch border and knit in single moss stitch, widening 1 stitch on each end of the needle every other row. Be careful to keep the single moss stitch even. When the collar is 3 inches deep bind off.

Buttons—With the No. 0 needles knit in stockinette stitch a small square a trifle larger than the size of the mould.

Cover the moulds and sew in place.

GOLF JACKET

Raglan Sleeve Without Holes

Size 38

12 skeins 5-ply Fingering yarn.
Pair No. 6 needles.
Set No. 6 double point needles.
Set No. 3 double point needles.
Two Stitch Pins.
4 medium size leather buttons.

Starting at the back of the neck set up 39 stitches and purl back.

1st row—Widen on the 1st stitch, knit 1 stitch, widen twice (which means to widen 1 stitch on each of the next two stitches). Knit 2 stitches, widen twice, knit 23 stitches,

widen twice, knit 2 stitches, widen twice, knit 1 stitch, widen on the last stitch.

2nd row—Purl all the way across the row.

3rd row—Widen on the 1st stitch, knit 3 stitches, widen twice, knit 4 stitches, widen twice, knit 25 stitches, widen twice, knit 4 stitches, widen twice, knit 3 stitches and widen on the last stitch.

4th and every alternate row—The same as the 2nd.

5th row—Widen on the 1st stitch, knit 5 stitches, widen twice, knit 6 stitches, widen twice, knit 27 stitches, widen twice, knit 6 stitches, widen twice, knit 5 stitches and widen on the last stitch.

Continue widening every other row so that the widenings which form the raglan come directly in line with each other and by doing so increase 2 stitches in each sleeve, 2 in the back and 2 in each front, but after the 8th row widen for the fronts on every 3rd knit row only.

When you have 78 stitches for each sleeve slip them on the stitch pins and leave. Stop widening on the fronts which should now have about 54 stitches each, join them to the back and knit stockinette stitch for 16 inches more Finish with a rib 1½ inches deep by knitting 1, purling 1.

Sleeve—With the No. 6 double point needles take the 78 stitches left for the sleeve and knit round for 2 inches, then on a line with the underarm seam narrow 2 stitches every 7th round until within 3 inches of the required length, then change to the No. 3 needles, and if necessary reduce the stitches in one round to 48 and rib the cuff 3 inches deep by knitting 1, purling 1.

Band—Using two of the No. 3 double point needles as a pair, set up 12 stitches and rib throughout by knitting 1, purling 1. The band should be long enough to go up one side, around the neck and down the other side. There should be 4 button holes about 3 inches apart, the first one 1½ inches up from the bottom. Sew band on the jacket with the button holes on the right hand side.

Patch Pockets—On the No. 6 needles set up 24 stitches and knit 4 inches in stockinette stitch, then make a rib 1 inch deep by knitting 1, purling 1 and bind off loosely. The pocket is sewed on afterwards just above the border.

RAGLAN COAT
SCOTCH WOOL SHOP MODEL
Size 38

14 skeins Double Knitting, or Alloa yarn.
Pair No. 8 needles.
Set No. 8 double point needles.

3 large leather buttons.
6 medium leather buttons.
Two Stitch Pins.

Starting at the back of the neck on the pair of needles, set up 37 stitches, knit 3 ridges in plain knitting, at the same time widen 1 stitch on each end of the needle until there are 41 stitches, then knit as follows:

1st row—Knit 3 stitches, widen on the next stitch, throw the thread over the needle, knit 1 stitch, throw thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, knit 25 stitches, throw thread, knit 1 stitch, throw thread, knit 2 stitches, throw thread, knit 1 stitch, throw thread, widen on the next stitch and knit the remaining 3 stitches plain.

2nd row—Purl with the exception of the first 3 and the last 3 stitches, always knit these plain to form a border.

3rd row—Knit 3 stitches, widen, knit 2, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 27, throw thread, knit 1, throw thread, knit 4, throw thread, knit 1, throw thread, knit 2, widen and knit the remaining 3 plain.

4th and every alternate row—Same as the second.

5th row—Knit 3 stitches, widen, knit 4, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 29, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 4, widen and knit the remaining 3 stitches plain.

Continue widening for the front and throwing the thread over the needle every other row so that the holes come directly in line with each other, by doing so increasing 2 stitches in each sleeve, 2 in the back and 2 in each front. When your work measures 2 inches deep, widen for the front every 4th row only.

When the line of holes forming the raglan measures 11½ inches, there will be about 72 stitches for each sleeve, slip them on to stitch pins and leave. Each front should now measure about 11 inches across.

Stop widening on the fronts, join them to the back and knit stockinette stitch 18 inches longer, or to within 11½ inches of the required length, keeping the 3 stitches of plain knitting on each end of the needle. This brings you to the border which is 11½ inches deep and knit as follows:

1¼ inches single moss stitch.
1¼ inches stockinette stitch.
2½ inches single moss stitch.
2½ inches stockinette stitch.
4 inches single moss stitch, which finishes the border.

Sleeve—With the double point needles take the stitches left for the sleeves. Start narrowing as soon as you leave the armhole 2 stitches on a line with the underarm seam about every inch. When within 5¼ inches of the desired length of the sleeve, on the opposite side from the narrowing, knit 1 stitch in single moss, then in the next round in the same place knit 3 stitches in single moss, and in the next round 5 stitches, and so one until the entire cuff is of the single moss stitch. Continue until you have the desired length and bind off.

Band—Set up 21 stitches and knit in single moss stitch until the band is long enough to go up one side, around the neck and down the other side. Sew it on to the coat.

Belt—Set up 9 stitches and knit in single moss stitch the desired length.

Patch Pockets—Set up 21 stitches and knit 1 inch in single moss stitch, change to stockinette stitch and continue until the entire pocket is 4 inches deep. Sew in place 2 inches in from the border. The bottom of the pocket should be on a line with your finger tips.

The 3 large leather buttons are sewed on the left side of the front about 5 inches apart with loops opposite.

3 medium leather buttons are sewed on each cuff going up into the point.

SPORTS COAT

Raglan Without Holes

15 skeins Alloa, or
Double Knitting yarn.
Pair No. 8 needles.
Set No. 8 double point needles.
3 large leather buttons.
4 medium leather buttons.
2 stitch pins.

Starting at the back of the neck on the pair of needles set up 90 stitches and purl back, then knit as follows:

1st row—Knit in single moss 21 stitches, knit 6 stitches, widen twice, knit 2 stitches, widen twice, knit 24 stitches, widen twice, knit 2 stitches, widen twice, knit 6 stitches, and knit in single moss the last 21 stitches.

2nd row—Purl, with the exception of the first 21 and the last 21 stitches, always knit these in single moss to form the border.

3rd row—Knit in single moss 21 stitches, knit 7, widen twice, knit 4, widen twice, knit 26, widen twice, knit 4, widen twice, knit 7, and knit in single moss the last 21 stitches.

4th and every alternate row—The same as the second.

Continue widening every other row so that the widenings which form the raglan come directly in line with each other, and by doing so increase 2 stitches in each sleeve, 2 in the back and 1 in each front.

When you have knit 8 rows, widen 1 stitch on each end of the needle next to the moss stitch borders, and widen in this same place every 8th row until you take the sleeves off. When the line of the raglan measures 11½ inches, there should be about 72 stitches for each sleeve, slip them on to stitch pins and leave. Each front should now measure about 14 inches across. Join the fronts to the back and knit in stockinette stitch for 24 inches, or to within 7 inches of the required length. This brings you to the border, knit it 7 inches deep in single moss. Bind off.

Sleeve—With the double point needles take the stitches left on stitch pins and knit for 2 inches, then narrow gradually 2 stitches on a line with the underarm until the width of the sleeve is reduced to 5 inches across, there should be about 51 stitches on the needle, then knit without narrowing until the sleeve measures 17 inches.

Cuff—4 inches deep in single moss stitch, and turns back on the sleeve, it is opened on a line with the outside of the sleeve, therefore start now to knit back and forth instead of around. Fasten 2 buttons on the front of the turn back cuff and tack the back in place.

Collar—Pick up the stitches around the neck from 1½ inches inside one point to 1½ inches inside the other point and knit in single moss 7 inches deep. Bind off loosely. When pressing, stretch out the edge.

Pockets—There are 2. Set up 30 stitches and knit the border in single moss 1 inch deep, then change to stockinette stitch and continue until the pocket measures 6 inches deep. Bind off.

Sew the pockets one each side, about 4 inches from the moss stitch border, and the bottom on a line with the finger tips.

The top button is placed at the neck just beyond the border, and the second one 3 inches below, and the third about at the waist line. Crochet loops on the edge of the border on the opposite side.

INVERNESS CAPE

36-38

16 skeins of Alloa or Double Knitting yarn.
Pair No. 8 needles.
5 medium size leather buttons.

Start at the bottom of the coat and set up enough stitches to measure from one front all the way around to the other front. There will be about 241. Knit in single moss stitch for 3 inches, then change to stockinette stitch with the exception of 15 stitches on each end of the needle, knit these in single moss stitch to form the border which goes all the way up each front. Continue until you reach the armhole and your work is about 32 inches long, then divide the stitches as follows:

109 for the back, 66 for each front.

Back—Narrow 1 stitch on both ends of the needle every knit row until you have reduced the stitches to 81, then continue without narrowing until you have knit 10 inches from the armhole. Now on every knit row bind off 3 stitches on each end of the needle until there are 25 left for the back of the neck. Bind these off.

Front—Keep on the front end of the needle 15 stitches in single moss, at the same time narrow 1 stitch on every knit row at the sleeve end of the needle until there are 52 stitches left, then knit without narrowing until your work measures 9½ inches from the armhole. Slip on to an extra needle 24 stitches for the neck, and knit the shoulder 1½ inches more, at the same time binding off 3 stitches on the armhole end of the needle every knit row. When all the stitches are bound off sew the shoulder to the back. Finish the second front in the same way.

Collar—Pick up the stitches around the neck inside the moss stitch borders, knit in single moss stitch, widening 1 stitch on each end of the needle every other row until the collar is 4 inches deep.

Capes—There are two capes, one for the right shoulder, and one for the left, please keep this in mind.

Right Cape—Set up 3 stitches and knit in stockinette stitch, widening 1 stitch on each end of every row until your work measures 9 inches straight across the needle.

Stop widening on the right hand end (which is the front) and start the border which is formed by knitting 9 stitches in single moss stitch. This border runs the entire length of the front of the cape. Continue widening 1 stitch every row on the left end as before until your work measures along this side 24 inches.

Now stop widening and start to narrow. Knit 5 stitches in single moss stitch and narrow just inside these 5 stitches; this must be done by knitting the 5th and 6th stitch together. Narrow in this way every knit row, also every 3rd purl row, narrow 1 stitch in the same place. When you have reduced the stitches so that your work

measures only 14 inches across the needle, knit all the way across the row in single moss stitch, stop narrowing inside the 5 stitches in single moss, but narrow instead on every knit row by knitting together the 1st and 2nd stitches on the needle. When you have 6 ridges in single moss stitch, bind off.

The left cape is made in the same way, EXCEPT the straight edge is on the left hand side, and the widening and narrowing on the right hand side.

Patch Pockets—Set up 25 stitches and knit in single moss stitch for 1 inch, then change to stockinette stitch and continue until the pocket is 5 inches deep. There are 2 pockets, one sewed on each front 6 inches from the edge of the coat, the bottom of the pocket at finger tip length.

To press—All the pieces of the coat are pressed separately under damp cloths with weights on top, laying the pieces out flat and straight. When thoroughly dry, sew on the capes as follows:

Take the point of the cape where you set up the 3 stitches and tack it to the collar where the shoulder seam meets it, now lay the back of the cape along the line of the shoulder seam until you come to within 1 inch of the armhole, then curve it gently so the cape can be sewed down the back. To get this straight follow the line of one of the stitches in the knitting.

Take the front edge of the cape and tack it flat to the coat 5 inches down, then let it hang straight. Turn back the lapels and the collar making a long V and press them gently with a wet cloth and iron.

The buttons are sewed on the left hand side, the top one on a line where the V meets, and the others 3 inches apart. Crochet loops opposite to them on the right side.

MILITARY CAPE

12 skeins Double Knitting, or
Alloa yarn.
Pair No. 8 needles.
2 small leather buttons.
Set up 70 stitches and purl back.

1st row—Knit 5 stitches in single moss stitch, knit 10 stitches, widen twice, knit 4 stitches, widen twice, knit 24 stitches, widen twice, knit 4 stitches, widen twice, knit 10 stitches, and knit the last 5 in single moss stitch.

2nd row—Purl with the exception of the first 5 and the last 5 stitches, always knit these in single moss to form the border.

3rd row—Knit 5 stitches in single moss, knit 11 stitches,

widen twice, knit 6, widen twice, knit 26, widen twice, knit 6, widen twice, knit 11 and knit the last 5 in single moss.

4th and every alternate row—Same as the second row.

5th row—Knit 5 stitches in single moss, knit 12, widen twice, knit 8, widen twice, knit 28, widen twice, knit 8, widen twice, knit 12 and knit the last 5 in single moss.

Continue widening in this way until you have knit 7½ inches.

Keep the border of 5 stitches in single moss as before, and widen on every 7th or 8th stitch across the row, but note, never widen inside the first 7 stitches next to the border on each end of the needle. Knit 3 inches and widen on every 9th stitch, knit 3 inches and widen on every 10th stitch. But, when your work measures 14 inches straight down from the neck, make two perpendicular slits for the hands. These slits should be 3½ inches in from the edge of each front and 6 inches long. They are edged on both sides with 5 stitches in single moss. To make these slits, separate the cape into three parts, and knit each 6 inches, then join again and complete the length.

Meanwhile continue the widenings until the cape measures 65 inches all the way around, then knit without widening until the entire length is 30 inches. Finish the bottom with border 2 inches deep of single moss stitch.

Collar—Crochet from one point around the neck to the other, very firmly in single crochet a band 1½ inches deep, then pick up the stitches on the pair of needles and knit the collar in single moss stitch 2½ inches deep.

Sew 2 buttons on the left side of the crocheted band at the neck with 2 loops opposite. Finish each front with 2 or 3 rows of single crochet.

MAN'S COAT SWEATER

Size 38

12 skeins 5-ply Fingering yarn, or
14 skeins 4-ply Real Camel's wool.
Pair No. 6 needles.
Set No. 6 double point needles.
Set No. 2 double point needles.

Set up 96 stitches on the pair of needles, rib 1½ inches deep by knitting 2, purling 2, then change to stockinette stitch and knit until the entire length measures 25 inches. Now bind off 32 stitches in the middle of the row for the neck. Knit the first shoulder 1½ inches deep, then widen for the V as follows:

Widen 1 stitch on the front end of the needle every row you knit (not when you purl) until there are 46 stitches on the needle, continue, if necessary, without narrowing until your work measures 7 inches straight down from the

back of the neck, then add 12 stitches for the underarm piece and continue.

When within 4 inches of the desired length, start the pocket which is set-in. See page 6. When you have finished the pocket rib the border at the bottom 1½ inches deep by knitting 2, purlng 2 to match the back. Knit the second front the same.

Sleeve—On the No. 6 double point needles pick up 80 stitches around the armhole, including the 12 stitches for the underarm piece and knit for 4 inches, then narrow 2 stitches on a line with the underarm seam every 6th round. Continue narrowing in this way until the stitches are reduced to 60, or to within 3 inches of the required length, then in one round reduce the stitches to 48, and on the No. 2 needles rib the cuff 3 inches deep by knitting 2, purling 2.

Band—Using 2 of the No. 2 needles, set up 12 stitches and rib throughout by knitting 1, purling 1 until the band is long enough to go up the front, around the neck and down the other front. Make button holes in one side every 3 inches apart. (See page 4.) The band is to be sewed on to the coat with button holes on the left hand side.

MAN'S SLEEVELESS SWEATER

Square Neck

Size 38

7 skeins 5-ply Fingering yarn.

Pair No. 7 needles.

Set No. 3 double point needles.

Set up 90 stitches and rib 3 inches deep by knitting 2, purling 2, then knit stockinette stitch for 12 inches. Now, on each end of the needle knit plain 6 stitches, to outline the armhole, keeping the rest of the row in stockinette stitch. When your work measures 22 inches bind off 30 stitches in the middle of the row for the neck. Knit each shoulder 2 inches deep and join them by casting on 30 stitches. Knit 7 inches, keeping the 6 stitches in plain knitting on each end of the needle, then add 6 stitches on each end for the underarms; knit these plain for ¾ of an inch, then finish the rest of the sweater to match the back, including the shoulders in the length of the front.

Neck—On the double point needles pick up the stitches around the neck and rib ¾ of an inch deep by knitting 2, purling 2.

3-ply Fingering yarn

5 skeins will be required, using No. 5 needles. Set up 96 stitches and follow the preceding directions, binding off 34 stitches for the neck.

GENERAL DIRECTIONS FOR SOCKS AND STOCKINGS

To Turn a Heel

When heel is required depth, purl ½ the number of stitches in the row, plus 2; purl 2 together, purl 1, turn; slip 1 stitch, knit 5, knit 2 together; knit 1, turn; purl across to the hole made by slipping the stitch and purl the stitches on each side of the hole together, purl 1; repeat this, always slipping 1 stitch and knitting or purling the two together each side of the hole, until all the stitches on the needle are used up.

To Narrow for Toe

Allow 3 inches in the length of the foot for narrowing. Narrow 4 times in a round; on the 3rd stitch from each end of the front needle, and on the 3rd stitch from the front ends of each back needle, knit 4 rounds, and narrow in the same places again.

* Knit 3 rounds and narrow, repeat from *.

** Knit 2 rounds and narrow, repeat from **.

Knit 1 round and narrow, then narrow every round until there are 8 stitches left on the front needle, and 4 on each of the back.

Kitchener Toe

Place 8 stitches on the front on one needle, and 8 stitches on the back on one needle; hold the two needles side by side, with the thread coming from the right-hand end of the back needle. Break off the wool about 10 inches from the sock, thread it on a darning needle, pull it through the 1st stitch on the front needle as if knitting, and slip the stitch off; pull the thread through the 2nd stitch of the front needle as if purling, and leave the stitch on; pull it through the 1st stitch of the back needle, as if purling, and slip the stitch off, pull it through the 2nd stitch, as if knitting, and leave the stitch on. Repeat until all the stitches are used up, then fasten the thread off securely.

BOYS' GOLF STOCKINGS

Average lengths—include heel but not turn-over cuff. For stockings up over the knee allow 4 inches more.

5-year-old—Length of leg, 11 inches; length of foot, 6½ inches.

6-year-old—Length of leg, 12 inches; length of foot, 7½ inches.

8-year-old—Length of leg, 12½ inches; length of foot, 8 inches.

10-year-old—Length of leg, 14 inches; length of foot, 9 inches.

MEN'S GOLF STOCKINGS

Average length—includes heel but not turn-over cuff. Length of leg, 16 to 18 inches; length of foot, 10½ to 11 inches.

TURNOVER FOR GOLF STOCKING

Trellis Pattern

1 skein 5-ply Fingering yarn, black.
1 skein 5-ply Fingering yarn, white.
Set No. 2 double point needles.

Set up in the white 80 stitches, 24 on the first needle, 32 on the second, 24 on the third. Rib 4 rounds by knitting 2, purling 2, join on the black wool and knit 1 round, purl 1 round. Change to white and knit 1 round, purl 3 rounds, take black, knit 2 rounds. Now start pattern as follows:

1st round—Knit 1 stitch white, 6 stitches black, * knit 2 white, 6 black and repeat from *, and knit the last stitch with white.

2nd round—Knit 2 with white, 4 with black, * 4 white, 4 black and repeat from *. End the round with 2 white stitches.

3rd round—Knit 1 stitch with black, 2 with white, then 2 black and 2 white alternately all around and end with 1 black.

4th round—Knit 2 with black, 4 with white, then 4 black and 4 white alternately all around, and end with 2 black.

5th round—Knit 3 with black, 2 white, * 6 black, 2 white and repeat from *, and end with 3 black.

6th round—Knit 2 black, 4 white, then knit 4 black and 4 white alternately all around and end with 2 black.

7th round—Knit 1 black, 2 white, then 2 black and 2 white alternately all around and end with 1 black.

8th round—Knit 2 white, 4 black, * 4 white, 4 black and repeat from *, and end with 2 white.

9th round—Knit 1 white, 6 black, * 2 white, 6 black and repeat from *, and end with 1 white.

This ends one section of the pattern. Repeat the trellis pattern from the second round, which is sufficient for the turnover.

Now knit 2 rounds plain in black; change to white and purl 3 rounds and knit 1 round; change to black, purl 1 round, knit 1 round; change to white, knit 4 rounds by knitting 2, purling 2. This completes the turnover. Turn your work inside out and you are now ready to begin the leg of the stocking.

MEN'S GOLF STOCKINGS

Average length—includes heel but not turn-over cuff. Length of leg, 16 to 18 inches; length of foot, 10½ to 11 inches.

MEN'S GOLF STOCKINGS

Size 11-12

6 skeins 5-ply Fingering yarn, or
4-ply Real Camel's wool.
Set No. 2 double point needles.

Set up 76 stitches and rib 4 inches deep by knitting 1, purling 1, or if desired, knit a fancy turn-over cuff, then add 1 stitch to make 77 and rib by knitting 5, purling 2, for 8 inches, then narrow as follows: Take 2 purl stitches for the middle of the back, put one on each side of the back needles, narrow by knitting 2 stitches together in the middle of the 5 stitches on each side. Knit 1 inch, then narrow in the same place again. Knit another inch, then narrow 4 times in one row, by knitting together the 3rd knit stitch from the center, with the 1st purl stitch next to it, and the 2nd purl stitch with the 1st knit stitch, on the next rib of 5 on each side. This makes on each side a wide rib of 8 stitches, continue to narrow 1 stitch in the middle of this rib, every 9 or 10 rounds, until the rib is only 5 stitches wide, and there are 63 stitches on the needles all together. Knit now without narrowing until the stocking is desired length without heel, then divide the stitches, leaving 33 on an extra needle for the front. This leaves 30 for the heel. The 2 purl stitches that come in the middle of the ribbing down the leg must be in the middle of the heel. Knit the heel stockinette stitch for 2 inches, then turn as follows:

Purl 17 stitches, purl 2 together, purl 1, turn, slip 1 stitch, knit 5, knit 2 together, knit 1, turn; slip 1 stitch, purl across to the stitches on each side of the hole made by slipping the stitch and purl them together, purl 1. Continue to purl and knit back and forth in this way until all the stitches have been used up on each end of the needle. Now pick up the stitches on the right side of the heel, about 12, knit across the front, keeping the rib, and pick up the same number of stitches on the left side of the heel. Knit once around, then narrow every other round, on the next to last stitch on the front ends of the back needles. Narrow until there are 64 stitches on the needles. Then knit to within 3 inches of the required length of the foot. Stop ribbing in the front of the stocking and start to narrow for the toe, directions for which see page 61.

If using Alloa yarn, set up 70 stitches which will make 1 rib less. 3 to 4 skeins will be required.

MEN'S SOCKS

Size 10 to 11

3 skeins 3-ply Fingering yarn.

Set No. 2 double point needles.

Set up 64 stitches on three needles and rib 5 inches deep by knitting 2, purling 2, knit round for 7 inches more which brings you to the heel. Divide the stitches equally in half, 32 for the front and 32 for the heel. Knit the heel in stockinette stitch 2 inches, then turn the heel (see page 61).

After which pick up the stitches on the right side of the heel, about 15, knit across the front, pick up the same number of stitches on the left side of the heel and knit once around, then narrow every other round on the next to end stitch on the front ends of the back needles. Narrow until there are 64 stitches on all three needles, then knit the foot to within 3 inches of required length, narrow for the toe and finish according to general directions on page 61.

WOMEN'S STOCKINGS

Size 9½

5 skeins 3-ply Fingering yarn.

Set No. 2 double point needles.

Set up 80 stitches and rib 3 inches deep by knitting 1, purling 1, then change the rib to knit 4, purl 1 and continue for 9 inches more. Now keeping 1 purl stitch for the seam in the middle of the back start to narrow. * Narrow 4 times in one round, 1 stitch in each of the 2 ribs of 4 stitches on both sides of the seam stitch. Knit 1 inch, then narrow twice in the next round by knitting together the 3rd and 4th stitch on each side of your seam stitch, thus forming a wide rib of 6 stitches; knit 1 inch and then reduce the ribs of 6 stitches to 5 each, by narrowing twice in the round; knit 1 inch and reduce the 5 stitches to 4, by narrowing twice in round. Repeat from *. You will then have on each side of the seam stitch a rib of 4 knit stitches and there will be 60 stitches left on the needles. Now continue stocking until it is required length, about 23 inches, then divide the stitches for the heel. Leave on the front needle 30 stitches and stockinette stitch the other 30 stitches until the heel measures 2 inches deep. (To turn the heel see page 61.) Now pick up the stitches on the right side of the heel, about 12, knit across the front, keeping the rib, and pick up the same number of stitches on the left side of the heel; knit once

around, then narrow every other round, on the next to last stitch, on the front ends of the back needles; narrow until there are 60 stitches on the needles; then knit to within 3 inches of the required length of foot. For narrowing and Kitchener toe, see directions on page 61.

TENNIS SOCKS

Size 9-10

2 skeins 3-ply Fingering yarn.
Set No. 2 double point needles.

Set up 60 stitches and rib 4 inches deep by knitting 2, purling 2 and if desired, at the same time, make alternate stripes of contrasting color. Then knit round for 1 inch which brings you to the heel. Leave on the front needle 30 stitches and stockinette stitch the other 30 stitches until the heel measures 2 inches deep. (To turn heel see page 61.) Now pick up stitches on the right side of heel, about 12, knit across the front and pick up the same number of stitches on the left side of the heel, knit once around, then narrow every other round on the next to last stitch on the front ends of the back needles, narrow until there are 60 stitches on the needles, then knit to within 3 inches of the required length of foot. For narrowing and Kitchener toe, see directions on page 61.

BABY'S STOCKINGS

6-12 months old

1 skein 2-ply Fingering yarn.
Set No. 1 double point needles.

Set up 44 stitches, rib 1¾ inches deep by knitting 2, purling 2, then knit stockinette until stocking measures 6 inches, now divide the stitches, one half for the front, and one half for the heel. Knit it stockinette about 1 inch deep. Turn the heel as follows: purl 12 stitches, purl 2 together, purl 1, turn; slip 1 stitch, knit 3, knit 2 together, knit 1, turn; slip 1 stitch, purl across to stitches each side of the hole made by slipping the stitch and purl them together, purl 1; continue to purl and knit back and forth in this way until all the stitches on the needle are used up. Now pick up the stitches on the right side of the heel (about 6). Knit across the front and pick up the same number of stitches on the left side of the heel. Knit once around and then narrow every round on the next to the last stitch on the front ends of the back needles. Narrow until there are 36 stitches in all.

Continue the foot without narrowing until it measures 3 inches, then narrow for the toe. Narrow 4 times in a round next to the last stitch on each end of the front needle

and next to last stitch on front ends of the back needles. Knit 3 rounds, narrow again. Knit 3 rounds, narrow, knit 2 rounds, narrow, knit 2 rounds and finish with Kitchener toe. See page 61.

CHILD'S SHORT STOCKINGS

2 years old

2 skeins 2-ply Fingering yarn.
Set No. 1 double point needles.

Set up 56 stitches and rib 3 inches by knitting 1, purling 1, then knit round for 4 inches. Now divide the stitches one half for the front, and one half for the heel. Knit it in stockinette stitch 1½ inches deep; now turn the heel (see page 61), after which pick up the stitches on the right side of the heel, about 7, knit across the front and pick up the same number on the left side of the heel. Knit once around, then narrow every round one stitch next to the last stitch on the front end of the back needles, until there are 50 stitches left, knit the foot until it measures 4 inches, narrow for toe. See page 61.

CHILD'S STOCKINGS

5 years old

2 skeins 3-ply Fingering yarn.
Set No. 2 double point needles.

Set up 56 stitches and rib 4 inches deep by knitting 2, purling 2, then knit round for 7 inches. Divide the stitches, one half for the front and one half for the heel, knit it in stockinette stitch 1½ inches deep. Now turn the heel (see page 61), after which pick up the stitches on the right side of the heel, about 7, and knit across the front. Pick up the same number on the left side of the heel, knit once around, then narrow every round 1 stitch on the front ends of the back needles, until there are 50 stitches left. Knit foot to measure 5 inches including the heel, then narrow for the toe (see page 61).

CHILD'S LONG STOCKINGS

7 years old

2 skeins 3-ply Fingering yarn.
Set No. 2 double point needles.

Set up 60 stitches, and rib by knitting 1, purling 1 for 3 inches, then change the rib to knit 6, purl 4, and continue for 5 inches more. Now keeping the rib of 4 purl stitches nearest the back for the middle of your stocking start to narrow: narrow 2 stitches every 5th round in this rib until you have reduced them all, and the two ribs of 6 stitches on each side are joined. Continue narrowing 2 stitches

in this wide rib every 5th round until you have 6 stitches left; there should now be 50 stitches on the needles. Continue until the stocking measures 16 inches long, then divide the stitches for the heel.

Leave 24 stitches for the front and take the 26 that are left for the back, placing the narrowed part of the stocking in the middle of the needle, reduce these 26 stitches to 24 at once, and knit the heel stockinette stitch for 1½ inches, then turn (see page 61). Now pick up the stitches on the right side of the heel, about 9, knit across the front, continuing the ribbing, and pick up the same number of stitches on the left side of the heel; knit once around, then narrow every other round on the next to the last stitch on the front ends of the back needles; narrow until there are 54 stitches on the needles, then knit to within 2 inches of required length of the foot. Do not continue the ribbing in the front any longer. To narrow for the toe, see page 61.

CHILDREN'S GLOVES

2 years old

1 skein 3-ply Fingering yarn.

Set No. 1 double point needles.

Set up on 3 needles 40 stitches. Rib 25 rounds by knitting 2, purling 2, then knit plain for 16 rounds. Run a thread through 7 stitches for the thumb and cast on 7 stitches for other side of thumb opposite those taken off. Knit plain for 12 rounds to finish hand.

1st finger—Take the 12 stitches on a line with the thumb, running a thread through all the other stitches and leaving them. Cast on 3 stitches for inside of finger and join with the 12; now knit 20 rounds, then narrow 3 times every round until only 3 stitches are left; knit 2 stitches together and finish off with 3rd on inside of the finger.

2nd finger—Take 5 stitches from the front and 5 stitches from the back of thread, pick up 3 stitches between 1st and 2nd fingers and cast on 3 stitches between 2nd and 3rd fingers; knit 25 rounds and finish off same as 1st finger.

3rd finger—Take 4 stitches from the front and 5 stitches from the back of thread, pick up 3 stitches between 2nd and 3rd fingers and cast on 4 stitches between 3rd and little fingers; knit 20 rounds and finish same as others.

Little finger—Take up last stitches on thread on 2 needles, pick up 4 stitches between 3rd and little fingers, and knit 16 rounds; narrow and finish same as other fingers.

Thumb—Pick up the stitches, 7 on the thread and 7 on the hand opposite and knit for 18 rounds; narrow and finish off same as fingers.

CHILDREN'S GLOVES

4 year old

1 skein 3-ply Fingering yarn, or
1 skein 3-ply Real Camel's.
Set No. 2 double point needles.

Set up 48 stitches. Rib 2½ inches by knitting 2, purling 2, then knit round for 1½ inches. Run a thread through 9 stitches for the thumb and cast on 9 stitches for the other side of thumb opposite those taken off. Knit 1 inch more to finish hand.

1st finger—Take 14 stitches, 7 from the back and 7 from the front on a line with the thumb, running a thread through all the other stitches and leaving them. Now cast on 4 stitches for inside of finger and join with the 14, knit 2 rounds, then decrease 2 stitches on the inside of the finger, knit 26 rounds more, then narrow 3 times on every round; when only 6 stitches are left on the needle Kitchener stitch them together.

2nd finger—Take 6 stitches from each side of the thread, pick up 4 stitches between 1st and 2nd fingers and cast on 3 stitches between 2nd and 3rd fingers; knit 1 round, decrease 1 stitch and knit 29 rounds and finish off same as first finger.

3rd finger—Take 5 stitches from the front and 6 from the back of the thread, pick up 3 stitches between 2nd and 3rd fingers and cast on 3 stitches between 3rd and little fingers; knit 1 round, decrease 1 stitch and knit 26 rounds and finish off same as first finger.

Little finger—Take up last stitches on thread on 2 needles, pick up 3 stitches between 3rd and little finger, and knit 20 rounds, and finish off same as other fingers.

Thumb—Pick up the stitches, 9 on the thread and 9 on the hand opposite, and knit for 25 rounds; narrow and finish off same as fingers.

6 year old

Follow preceding directions, but make the rib, palm, thumb and fingers all a little longer.

BABY'S THUMBLESS MITTENS

1 skein 2-ply Fingering yarn.
Pair No. 1 needles.

Set up 40 stitches and rib by knitting 2, purling 2 for 1½ inches, then knit plain 28 ridges, and then narrow as follows, but note a row is only once across.

1st row—Knit 4 stitches, knit 2 together, repeat to end of row.

2nd row—Knit 3 stitches, knit 2 together, repeat to end of row.

3rd row—Knit 2 stitches, knit 2 together, repeat to end of row.

4th row—Knit 1 stitch, knit 2 together, repeat to end of row.

You should now have 14 stitches on your needle, bind off, fold over and sew the mittens together.

Make a cord of single crochet, and small tassels on each end, and run around the wrist. See page 5.

CHILDREN'S MITTENS

3 year old

1 skein 3-ply Fingering yarn.
Set No. 2 double point needles.

Set up 40 stitches, 20 on the front needle and 10 on each of the back needles and rib 2½ inches deep by knitting 2, purling 2. Then knit round for 1½ inches which brings you to the thumb. Take 7 stitches from the right hand end of the front needle and leave them on a thread. Cast on 7 stitches to take their place and knit 2 inches more. Now start to narrow, 4 times in a round, by knitting together the 3rd and 4th stitch on each end of the front needle and the 3rd and 4th stitch on the front ends of the back needles. Knit 2 rounds and narrow in same place again. Continue narrowing until there are 28 stitches left in all, with 2 rounds of plain knitting between each narrowing. Then narrow every round until there are 8 stitches left on the front and 4 on each of the back needles, and Kitchener stitch them together.

Thumb—Take the 7 stitches you left on the thread and pick up 7 stitches opposite and knit 14 rounds plain, then narrow 3 times every round until there are 6 stitches left and Kitchener stitch them together.

This makes the right hand mitten. The left is made in exactly the same way except the 7 stitches for the thumb are taken off the left hand end of the front needle.

2 year old

Palm, wrist and thumb each ½ inch shorter.

4 year old

Palm, wrist and thumb each ½ inch longer.

KNIT GLOVES

Size 6½

2 skeins 4-ply Real Camel's wool, or
5-ply Fingering yarn.
Set No. 2 double point needles.

Set up 48 stitches and rib 4 to 6 inches deep by knitting 2, purling 2. Then knit 1 inch. Now start to widen for the thumb. Widen 2 stitches in the round on the 1st and 5th stitches of the first needle. Widen every other round, each time leaving 2 more stitches between the widenings. When you have 56 stitches on your needles knit 6 rounds plain without widening.

Thumb—Take 14 stitches off for the thumb, leaving the rest on extra needles. Cast on 6 stitches to complete the round of the thumb. Knit 1 round, narrowing in the middle of the 6 stitches 1 stitch as you do so; knit 5 rounds and narrow again; knit 5 rounds more and narrow; knit 5 rounds more and narrow. You now have 16 stitches left on your needles. When thumb is about 2 inches long narrow at the end of each needle until the total number of stitches is reduced to 8 and finish with the Kitchener stitch. (See page 4.)

After finishing the thumb you have 42 stitches left on the extra needles. Pick up 6 stitches across the thumb, take 18 more for the palm of the hand and use the other 24 for the back of the hand and knit 1 inch.

Little finger—Take 5 stitches from the back needle and 5 stitches from the front needle, and cast on 4 stitches to connect them, narrow once in the 1st round in the middle of the 4 stitches cast on. Knit finger 1¾ inches, then narrow once on each needle until you have reduced the stitches to 6 and finish with Kitchener stitch.

1st finger—Take 7 stitches from the palm and 7 stitches from the back needles and join them by casting on 4 stitches; knit 5 rounds, then narrow once in the middle of the 4 stitches; knit 5 rounds and narrow in same place again; knit finger 2¼ inches, then narrow same as for little finger and finish with Kitchener stitch.

Middle finger—Take 7 stitches from the back needle and 7 from the front, pick up 4 stitches on the 1st finger and cast on 4 stitches more opposite to join them. Reduce each set of 4 stitches to 3 in the 1st round and to 2 the next round. Then you will have 18 stitches on the needles. Knit 5 rounds and reduce in each place again, leaving 16 stitches. Knit the finger a little longer than you did the 1st finger, narrow in the same way and finish off with the Kitchener stitch.

3rd finger—You now have 5 stitches left on each needle; pick up 4 on the fingers on each side; knit 1 round, narrowing 1 stitch in each of the 4 stitches you picked up; knit 3 rounds and narrow again in the same place; then knit the finger as you did the others and finish with Kitchener stitch.

ADULT MITTENS

1 skein 5-ply Fingering yarn, main color.

1 skein 5-ply Fingering yarn, contrasting color.

Set No. 2 double point needles.

Set up 60 stitches and rib by knitting 1, purling 1 for ½ inch, change to stockinette stitch and in the next 3 inches knit a fancy pattern in the contrasting color (design will be furnished with purchase of wool) or alternate stripes of different widths, then in one round reduce the stitches to 48, and follow the directions for adult knit gloves until you come to the palm of the hand. Knit it 3 inches, then narrow as you would for the toe of a stocking (see page 61).

BABY SANDALS

1 skein 2-ply Fingering yarn.

Pair No. 0 needles.

Set up 25 stitches and knit 9 ridges of plain knitting, widening as you do so 1 stitch on each end of the needle every other row to increase the stitches to 43. Now knit 1 ridge of plain knitting without widening, and then narrow 1 stitch on each end of the needle every other row, for 9 more ridges, reducing the stitches to 25 again.

Now cast on one end of the needle 9 stitches for the back of the sandal, you will have 34 stitches in all. Widen on the other end (which we will call the front) every other row for the next 9 ridges which will increase your stitches to 43. Now from the back bind off 25 stitches and knit the remaining 18 stitches for 8 ridges without widening, this is the front of the sandal. Now cast on 25 stitches for the other side of the back and narrow on the front end of the needle every other row for the next 9 ridges. You now have 34 stitches. Bind these off. This completes the sandal.

Pick up the stitches across the top to within 6 of each end and knit and purl alternately for the next 5 rows, then bind off. This makes a little roll to finish the top. Sew up the sandal easing in the fullness across the top of the toe.

Cast 21 stitches on your needle for the strap and with the same needle pick up 12 across the back of the sandal, and on the other end cast on 21 more. Knit the strap 4 ridges deep and then bind off, but in one end make a button hole by binding off 1 stitch, and on the next row casting on 1 stitch. This should be within 2 stitches of the end of the strap. On the opposite end sew a small pearl button.

BABY BONNET

1 skein 2-ply Fingering yarn.
Set No. 2 double point needles.
1 yard of 1 inch wide satin ribbon.
1 small lingerie flower.

On two of the needles set up 22 stitches and knit plain, widening on the 4th, 6th and 8th ridges 1 stitch on each end of the needle, then knit without widening until you have 28 ridges. Pick up the stitches on each side and knit 29 ridges more. Now with three needles pick up the stitches all the way around the cap and knit round for 1½ inches, bind off loosely. This will make a little roll.

Slip the ribbon through the right side of the cap, up over the top and down the left side. Tack it on one side with the lingerie flower.

SLEEPING CAP

1st size

1 skein 2-ply Fingering yarn.
Set No. 2 double point needles.

Using two of the double point needles as a pair set up 22 stitches and knit plain, widening on the 4th, 6th and 8th ridges, 1 stitch on each end of the needle, then knit without widening until you have knit 28 ridges.

Pick up the stitches on each side and knit 19 ridges more, finish with a rib 1¼ inches deep by knitting 2, purling 2. Bind off.

Pick up the stitches on the bottom, and on the right side of the front cast on 10 more. Knit these 10 plain but rib the rest by knitting 2, purling 2 for 1½ inches and bind off. Make 2 little holes in the end of the chin strap with a needle and thread, and sew two buttons opposite to them. Or, on three of the needles pick up the stitches around the bottom and join the two fronts by casting on 10 stitches, and rib 2 inches deep by knitting 2, purling 2, then bind off very loosely.

2nd size

Follow the preceding directions but cast on 26 stitches and widen to 32. Knit 32 ridges and after you pick up the stitches on the side knit 23 ridges before starting the ribbing. Cast on 12 stitches for the strap.

HELMET

2 year old

1 skein 4-ply Real Camel's yarn.
Set No. 2 double point needles.

Using two of the needles as a pair, set up 18 stitches,

knit in stockinette stitch, widening 1 stitch on each end of the needle on the 4th, 6th and 8th knit rows until you have 22 stitches, then knit without widening until your work measures 3½ inches. Break off the wool leaving the 22 stitches on an extra needle, join the wool to the lower right end and pick up the stitches along the side. Knit the stitches on the extra needle and pick up the same number on the left hand side. Continue in stockinette stitch until you have knit 3 inches more, then rib by knitting 2, purling 2 for 1½ inches. Pick up the stitches around the bottom, cast on 10 to join the two fronts and using the four needles rib 2 inches deep by knitting 2, purling 2.

Make 3 balls the size of a quarter and sew on the top of the helmet. (See page 5.)

A contrasting color in the ribbing and the balls is an attractive addition.

CHILD'S CAP

Turned up Border

2 skeins 4-ply Real Camel's or
2 skeins 5-ply Fingering yarn.
Set No. 4 double point needles.

Set up 108 stitches, 36 on each of three needles, and with the fourth, rib 6 inches deep by knitting 2, purling 2, then knit stockinette stitch for 2 inches more.

Now narrow 1 stitch on the second stitch from each end of each needle every other round four times, then every round, until you reduce the number of stitches to 10. Weave these together with Kitchener stitch (see page 4).

If a fancy border is desired rib only ½ inch, then knit a design about 2 inches deep. When the design is finished, rib 1 inch more, turn your work inside out and rib 3 inches by knitting 2, purling 2, then knit stockinette stitch for 2 inches and narrow.

CHILD'S BERET

2 to 3 year old

1 skein 3-ply Fingering yarn.
Set No. 4 double point needles.

Set up 100 stitches and rib by knitting 1, purling 1 for ¾ of an inch. In the next round increase your stitches to 124; this means widening on every 3rd or 4th stitch. Knit 1 round and in the next round increase your stitches to 144. Now knit without widening for 3 inches, then narrow as follows:

Narrow 1 stitch on every 5th stitch in 1 round, and knit 4 rounds plain without narrowing. Repeat 4 times

and then narrow on every 5th stitch on every round until you have only 4 stitches left. Kitchener these together. Crochet the thread you bind off with into a little queue 1 inch long and let this hang from the top.

Fancy stripes or design throughout may be used in this beret.

ADULT'S BERET

1 skein of Alloa, or Double Knitting yarn.
Set No. 4 double point needles.

Follow the preceding directions but set up 80 stitches and in the two rounds of widening increase your stitches to 120; then knit without widening for 4 inches more, and narrow as directed.

BERET

2 skeins 4-ply Real Camel's wool.
Set No. 6 double point needles.

On one needle cast on 9 stitches, and leave a thread about 4 inches long which you will use later for the little queue of the beret.

1st row—Knit off the stitches on to three separate needles. Join, and with the fourth needle, knit around.

2nd row—Knit round, widening one stitch in each stitch as you do so.

3rd and every alternate row—Knit round without widening.

4th row—* Widen 1 stitch, knit 1 stitch, repeat from * to end of the round.

6th row—* Widen 1 stitch, knit 2 stitches, repeat from * to end of the round.

The next round will have 3 stitches between each widening and the one following will have 4 and so on with 1 stitch more each time, until your work measures an even 4 inches straight down (5 inches for an adult beret).

Knit 1 round and start to narrow as follows:

* Knit 2 stitches together, knit the same number of stitches as between the widenings of the previous round; repeat from * to end of round.

Continue narrowing in this way with 1 stitch less between each narrowing until you have only 104 stitches left on your needles (for an adult beret 120 stitches), always knitting 1 round between each narrowing. Then in the next round knit together every 2nd and 3rd stitch, all the way round. Knit 1 round and bind off loosely, so that the head opening will stretch to 20 inches.

Crochet 1 row of slip stitch around the edge, taking care not to draw your work in.

To finish queue, take the thread left, making a chain of 5 stitches, then work 3 rows of single crochet up and down these 5 stitches. Draw the thread through the cap and fasten on the inside.

HOT WATER BAG COVER

3 skeins 2-ply Fingering yarn, different colors.
Set No. 4 double point needles.

Set up 120 stitches and rib 2½ inches deep by knitting 2, purling 2, then knit round 9 inches more in stripes of the different colors. Now start to narrow. Narrow 10 times in one round by knitting together every 11th and 12th stitches, knit 4 rounds and narrow again. Continue narrowing in this way until you have 60 stitches left. Then rib 1 inch deep by knitting 2, purling 2 and bind off. Run a cord through the rib at the top and at the bottom with tassels at each end. See page 5.

BED SOCKS

1 skein 3-ply Fingering yarn, pink.
1 skein 3-ply Fingering yarn, white.
Pair No. 6 needles.

Set up 90 stitches in the pink and knit plain for 10 ridges, at the same time widening on the first stitch every row until there are 100 stitches on the needle. Now stop widening, join on the white wool and knit over and back in white, then over and back in pink, alternate ridges. Keep two stitches in the middle of the row in stockinette stitch and on each side of these 2 stitches narrow every row both back and forth by knitting 2 together. When there are 50 stitches left on the needle stop narrowing, break off the white wool, and with the pink rib 5 inches deep by knitting 2, purling 2. Finish with ¼ inch rib in the white.

BED JACKET

Raglan Sleeve—Lace Pattern

8 skeins 2-ply Fingering yarn.
Pair No. 6 needles.
Set No. 6 double point needles.

Starting at the back of the neck, set up 40 stitches and knit 3 ridges of plain knitting, widening 1 stitch on each end of the needle until you have 44 stitches, then knit as follows:

1st row—Knit 5 stitches, throw the thread over the needle, knit 1 stitch, throw the thread, knit 2 stitches, throw

the thread, knit 1 stitch, throw the thread, knit 26 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, widen on the next stitch and knit the remaining 4 stitches plain.

2nd row—Knit 5 stitches, purl across to the last 5 stitches, widen on the first of these and knit remaining 4 stitches plain.

3rd row—Knit 5 stitches, knit 2 stitches, throw the thread, knit 1 stitch, throw the thread, knit 4 stitches, throw the thread, knit 1 stitch, throw the thread, knit 28 stitches, throw the thread, knit 1 stitch, throw the thread, knit 4 stitches, throw the thread, knit 1 stitch, throw the thread, knit 2 stitches, widen on the first of the remaining 5 stitches and knit the last 4 plain.

4th and every alternate row, the same as the second.

5th row—Knit 5 stitches, knit 4 stitches, throw the thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 30, throw thread, knit 1, throw thread, knit 6, throw thread, knit 1, throw thread, knit 4, widen on the first of the remaining 5 stitches and knit the last 4 plain.

Continue widening for the front, also throwing the thread over the needle every other row so that the holes come directly in line with each other, thus increasing 2 stitches in each front, 2 in each sleeve, and 2 in the back.

You will gradually increase until you have 63 stitches on each front, now stop widening next to the 5 plain stitches, but continue throwing the thread and increasing the number of stitches until you have 90 for each sleeve.

Slip on to a thread the 90 stitches in each sleeve and leave them. Join the fronts to the back and knit stockinette stitch 2 inches longer, keeping the 5 stitches of plain knitting on each end of the needle.

Now knit a lace pattern from one of the directions on pages 80-82, but be sure the number of stitches in the pattern you use will divide equally into the stitches you have on the needle, and do not include the border of 5 plain stitches. It may be necessary to add a few stitches here and there through the row to get the correct number, or possibly to decrease a few. Repeat the pattern until the border of lace is 9 to 10 inches deep, then finish with 6 ridges of plain knitting and bind off loosely.

Sleeve—With the double point needles take the stitches left for the sleeve and knit 2 inches in stockinette stitch, then start the lace pattern, being sure you have the right number of stitches so that the design of the lace will divide equally. Knit the lace border about 5 to 6 inches deep and finish with 6 ridges of plain knitting.

BED JACKET
Kimona Sleeves

10 skeins 5-ply Fingering yarn.
Pair No. 8 needles.

Set up 80 stitches and knit 1 inch of plain knitting, then change to stockinette stitch and knit 11 inches more. Now cast on each end of the needle 60 stitches for the sleeves, knit 6 inches, then bind off 40 stitches in the middle for the neck, leaving 80 stitches on each side. Leave one side on an extra needle and knit the other side for ¾ of an inch, then add 30 stitches on the front.

On the front end of the needle keep 6 stitches in plain knitting to form a border all the way down. Knit 6 inches, then bind off 60 stitches for the sleeve, and knit the rest of the front to match the back in length. Knit the second front the same.

Collar—Pick up the stitches around the neck with the wrong side toward you and knit 5 inches in plain knitting.

Cuffs—Pick up the stitches across the end of the sleeve, knit 1 ridge, then make a row of holes for ribbon to run through. To make holes see page 4. Finish with 6 ridges in plain knitting. Fasten with wide ribbon in front. Run ribbon through sleeves and tie bows.

2-ply Fingering yarn

With No. 6 needles set up 96 stitches; 8 skeins will be needed.

3-ply Fingering yarn

With No. 7 needles set up 90 stitches; 5 skeins will be needed.

LACE SHAWL

2 skeins 2-ply Fingering yarn, violet.
3 skeins 2-ply Fingering yarn, medium purple.
5 skeins 2-ply Fingering yarn, purple.
No. 8 round needle.
Set No. 8 double point needles.

On the double point needles set up in the violet wool 12 stitches (these needles must be used until there are enough stitches to put on the round needle). Knit 1 round, then knit as follows:

1st round—Knit 1 stitch, throw the thread over the needle, repeat to end of round.

2nd and every alternate round—Knit round plain.

3rd round—Throw the thread, knit 1, throw the thread, knit 3, repeat to end of round.

5th round—Throw the thread, knit 1, throw the thread, knit 5, repeat to end of round.

Continue throwing the thread over the needle every other round so that the holes come directly in line with each other, thus increasing 2 stitches in each section. This you do throughout the shawl.

When your work measures 3½ inches, make a row of holes all the way across each section by throwing the thread and knitting 2 stitches together but keeping the original holes of throwing the thread, knitting 1, throwing the thread as heretofore.

Knit 3½ inches more of the violet and make another row of holes, then change to the medium purple.

Continue knitting the shawl so that the colors are arranged as follows (a row of holes between each section):

Violet—2 sections of 3½ inches each.

Medium purple—2 sections of 3½ inches each.

Purple—2 sections of 3½ inches each.

To finish—Make 3 rows of holes with a round of purling between each, all the way around the entire shawl, knit 2 rounds of plain knitting and bind off loosely.

To press—Spread out flat and stretch each point down with a pin. Lay a damp cloth over it.

AUTO KNEE RUG

7 skeins Alloa or Double Knitting yarn.

Pair No. 8 needles.

Set up 129 stitches and knit in single moss stitch for 2 inches, then change to stockinette stitch, keep 7 stitches in single moss stitch on each end of the needle for the border.

When your work measures 34 inches, knit the border of single moss stitch to match the other end.

Finish with fringe 2 inches deep on each end of the rug.

DOG'S SWEATER

Small Terrier or Spaniel

2 skeins 5-ply Fingering yarn, or 4-ply Real Camel's wool.

Set No. 5 double point needles.

Set No. 3 double point needles.

On the No. 3 needles set up 76 stitches, 24 on top needle and 26 on each of the under needles, rib 4 inches deep by knitting 1, purling 1; change to No. 5 needles, and continuing the rib start to widen as follows: widen every second row 2 stitches, 1 stitch each on adjoining ends of

under needles, for 4 inches more, until there are about 104 stitches. Put 64 on top needle leaving 40 for under needle, rib each piece 3 inches longer, then join them and rib 4 inches more. Now slip 4 stitches from the underneath needle (2 on each end) on to the top needle, bind off the stitches on the under needle; rib the top 5 inches more for tail piece.

With the No. 3 needles pick up the stitches around each paw hole (about 30 to 34 stitches) and rib 2 inches deep by knitting 1, purling 1. Bind off very loosely.

POINTED SCARF

Striped

1 yard long

2 skeins May Queen silk-and-wool, Devon Red.
1 skein 3-ply Fingering yarn, champagne.
1 skein 3-ply Fingering yarn, dark brown.
Pair No. 5 needles.
Single moss stitch throughout. (See page 4.)

With the dark brown set up 47 stitches and knit back, then knit the following two rows throughout the scarf.

1st row—Knit the first 2 stitches together and widen on the last stitch.

2nd row—Do not widen or narrow. The widening and narrowing changes the single moss stitch along the edge, it is therefore important to watch it carefully. When you have 10 ridges in the brown, knit the stripes as follows:

(A ridge is over and back.)
Devon Red—4 ridges.
Champagne—2 ridges.
Brown—1 ridge.
Champagne—2 ridges.
Devon Red—4 ridges.
Brown—2 ridges.
Champagne—1 ridge.
Brown—2 ridges—Repeat this border once again then knit the middle of the scarf in the Devon Red. Reverse the border on the other end, ending with 10 ridges of dark brown.

ASCOT SCARF

Striped

1 yard long

3 skeins 3-ply Fingering yarn, different colors.
Pair No. 5 needles.

Set up 43 stitches and knit in plain knitting. Repeat the two following rows throughout the scarf.

1st row—Widen on the first and last stitch and knit the 3 middle stitches together.

2nd row—Knit back plain.

The colors are arranged as follows:

1 inch each, starting with the darkest color.

Then 1 ridge of each color in the same sequence; continue until your work measures 18 inches, which completes half the scarf. The second half of the scarf is made exactly the same as the first, except that when you have knit 18 inches you finish with a point by knitting the 3 stitches together in the middle, but stop widening on the ends. When you have only 3 stitches left bind off. Sew the point into the cleft of the first end.

LACE STITCHES

For

Blouses and Borders, etc.

When making a lace blouse on a pair of needles for general directions use the Brooks Model on pages 37-38 and when using a round needle use directions on page 40.

Be sure the number of stitches in the design will divide evenly into the number set up for the blouse.

OPEN WORK STITCH

1st row—Throw thread over needle, knit 2 stitches together, repeat to end of row.

2nd row—Purl.

3rd row—Knit 1 stitch, * throw thread over needle, knit 2 together, repeat from * to end of row.

Repeat these two rows throughout.

FANCY RIB

Set up an even number of stitches.

Knit 1 stitch, purl 1 stitch throughout, but when you knit put the needle into the back of the stitch instead of the front and purl as usual.

Adaptable for Cardigan Jackets.

DIAMOND LACE PATTERN

Set up a number of stitches divisible by 14 and knit the pattern as follows:

1st row—Knit 1, throw thread over needle, knit 2 together, throw thread over needle, knit 2 together, knit 5, knit 2 together, throw thread over needle, knit 2 together, throw thread over needle and repeat from beginning. At the end of the last repetition end with increasing 1 stitch, instead of throwing thread over needle.

2nd and every alternate row—Purl if using a pair of needles, or if using a round needle knit 1 round plain.

1st row—Widen on the first and last stitch and knit the 3 middle stitches together.

2nd row—Knit back plain.

The colors are arranged as follows:

1 inch each, starting with the darkest color.

Then 1 ridge of each color in the same sequence; continue until your work measures 18 inches, which completes half the scarf. The second half of the scarf is made exactly the same as the first, except that when you have knit 18 inches you finish with a point by knitting the 3 stitches together in the middle, but stop widening on the ends. When you have only 3 stitches left bind off. Sew the point into the cleft of the first end.

LACE STITCHES

For

Blouses and Borders, etc.

When making a lace blouse on a pair of needles for general directions use the Brooks Model on pages 37-38 and when using a round needle use directions on page 40.

Be sure the number of stitches in the design will divide evenly into the number set up for the blouse.

OPEN WORK STITCH

1st row—Throw thread over needle, knit 2 stitches together, repeat to end of row.

2nd row—Purl.

3rd row—Knit 1 stitch, * throw thread over needle, knit 2 together, repeat from * to end of row.

Repeat these two rows throughout.

FANCY RIB

Set up an even number of stitches.

Knit 1 stitch, purl 1 stitch throughout, but when you knit put the needle into the back of the stitch instead of the front and purl as usual.

Adaptable for Cardigan Jackets.

DIAMOND LACE PATTERN

Set up a number of stitches divisible by 14 and knit the pattern as follows:

1st row—Knit 1, throw thread over needle, knit 2 together, throw thread over needle, knit 2 together, knit 5, knit 2 together, throw thread over needle, knit 2 together, throw thread over needle and repeat from beginning. At the end of the last repetition end with increasing 1 stitch, instead of throwing thread over needle.

2nd and every alternate row—Purl if using a pair of needles, or if using a round needle knit 1 round plain.

3rd row—Knit 2, throw thread, knit 2 together, throw thread, knit 2 together, knit 3, knit 2 together, throw thread, knit 2 together, throw thread, knit 1 and repeat.

5th row—Knit 3, throw thread, knit 2 together, throw thread, knit 2 together, knit 1, knit 2 together, throw thread, knit 2 together, throw thread, knit 2 and repeat.

7th row—Knit 4, throw thread, knit 2 together, throw thread, knit 3 together, throw thread, knit 2 together, throw thread, knit 3 and repeat.

9th row—Knit 3, knit 2 together, throw thread, knit 2 together, throw thread, knit 1, throw thread, knit 2 together, throw thread, knit 2 together, knit 2 and repeat.

11th row—Knit 2, knit 2 together, throw thread, knit 2 together, throw thread, knit 3, throw thread, knit 2 together, throw thread, knit 2 together, knit 1 and repeat.

13th row—Knit 1, knit 2 together, throw thread, knit 2 together, throw thread, knit 5, throw thread, knit 2 together, throw thread, knit 2 together and repeat.

15th row—Knit 2 together, * throw thread, knit 2 together, throw thread, knit 7, throw thread, knit 2 together, throw thread, knit 3 together and repeat from *. At the end of the last repetition in this row there will be only 1 stitch to knit instead of 3 together.

Purl the 16th row. Then repeat from the first row, but at the end of this row there will be an extra stitch which you knit instead of increasing 1.

COFFEE BEAN PATTERN

Set up a number of stitches divisible by 6. Add 1 stitch on each end of the needle to keep the edge even. These 2 stitches are always knit every row and are not included in the design and will not be mentioned again.

1st row—Throw the thread, knit 3 stitches, throw the thread, knit 3 stitches together, repeat to end of row.

2nd and every alternate row—Knit the 1st stitch, also the last stitch, purl the rest.

3rd row—Knit 2 stitches together, knit 1 stitch, knit 2 stitches together, throw the thread, knit 1 stitch, throw the thread and repeat to end of the row.

5th row—Throw the thread, knit 3 stitches together, throw the thread, knit 3 stitches, repeat to end of the row.

7th row—Throw the thread, knit 1 stitch, throw the thread, knit 2 stitches together, knit 1 stitch, knit 2 stitches together, repeat to end of the row.

This completes one design, repeat as many times as desired.

HERRINGBONE LACE

Set up a number of stitches divisible by 16. Add 1 stitch on each end of the needle to keep the edge even. These 2 stitches are always knit every row and are not included in the design and will not be mentioned again.

1st row—Throw the thread over the needle, knit 1 stitch, throw the thread, knit 6 stitches, knit 3 stitches together, knit 6 stitches, repeat to end of row.

2nd row—Purl.

This completes one design, repeat as many times as desired.

CABLE STITCH

Set up a number of stitches divisible by 11, then add 5.

Row 1—Purl 2 stitches, knit 1 stitch, purl 2 stitches, * knit 6 stitches, purl 2 stitches, knit 1 stitch, purl 2 stitches, repeat from * to end of row.

Row 2—Knit 2, purl 1, knit 2, * Purl 6, knit 2, purl 1, knit 2, repeat from * to end of row.

Repeat these two rows 4 times, then knit a row as follows:

Row 9—Purl 2, knit 1, purl 2, * slip 3 stitches on an extra needle and set back from work, knit the next 3 stitches, then bring forward again the 3 stitches set back and knit them, purl 2, knit 1, purl 2, repeat from * to end of row.

Row 10—Same as Row 2.

This completes the pattern.

Repeat from row 1 throughout the work.
